Dear Sir/ Madam

I have been informed that you have expressed your willingness to be answer key maker for the selected question papers.

Preparing the key to the question paper and also the schema for valuation is a very responsible assignment which needs a lot of commitment and dedication.

Congratulations. You made a serious decision to take up this assignment. The Principal of your college too feels the same about you and has nominated your name for this purpose.

As a Zonal officer, I deem it as a honour and privilege to work with you. However, **we have a situation here, where in, more than one college has opted to prepare the key for a subject. This office shall try its best to provide opportunity to everyone possible to show their professional abilities in preparing the key.**

This office shall consolidate the list of **Key makers** and shall send official orders to those individuals through the Principals of the respective colleges and via emails.

Do not be disheartened if you don't find this opportunity this time, we will be able to point you towards other opportunities in future.

Wishing you all the best for your endeavours.

with Regards
