AAC meeting minutes

The Academic Advisory committee meeting was held on 10-07-2018, 11.00AM at Board room.
The agenda is as follows.

S. NO	Agenda/Discussion Points
1	CBCS System
2	Excellence in IEI
3	Career growth and development
4	R&D Activities.

The chairman welcomed the members and briefed about the ongoing activities of the department. He also briefed the salient points of the previous meeting, action taken and agenda of the present meeting to all the members.

Points Discussed:

CBCS system :

The Course Outcome for R2017II semester were discussed and the mapping of PO were analyzed. the action plans for the forthcoming year were drafted.

As per the 2017 regulation, the following subjects are newly included in EEE syllabus.

- a. Sensors and transducers
- b. Renewable Energy Systems
- c. Testing of materials

Based on the new syllabus, the gap between the Institute and Industry should be minimized and the students should enrich their knowledge in the areas such as, Renewable, Automation and Power System, along with software skills ETAP.

DrM.Prabhakar insisted to promote add on course related to thrust areas in electrical engineering for the well being of the students.

The team after a strong debate had recommended for add on courses related to PLC, Renewable and computation course for power system

Dr. K.Boopathi expressed that students may be motivated to initiate and organize various club activities independently with the guidance of faculties

Dr. P. Somasundaram insisted to arrange motivation programme from the lower semester itself to improve the communication skills and to participate actively in technical discussions and interactions

Chairman presented the minutes of CCM and also discussed the result analysis of previous semester.

Dr.M.Prabhakar suggested to attend webinar classes and NPTEL courses by eminent academic experts.

Chairman also discussed the events organized in the department such as Guest lectures, Industrial visits and workshops. Students are also actively participating in co-curricular and extra curricular activities regularly,

Dr.Dharmalingam asked to chairman, to advice the faculty members to undergo internship training programs in reputed industries to have real time exposure and also to apply travel grant for international conference and seminar in abroad.

Excellence in IEI

Dr. Dharmalingam advised to tie up with tiny industries and try to provide solutions to their problems.

Dr..P.Somasundaram informed that as per the new curriculum, the department has to conduct application oriented software courses.

The students who aspire for to become an entrepreneur may be advised to go for field study. this may help the students to learn about industrial environment and to get core jobs.

Higher studies, Placement and Training:

Chairman informed. dream companies such as Bosch, CTS and TCS is expected to come and students are advised to prepare well for the placement.

Mr.T.Vinoth suggested to plan to provide career guidance for all students from pre final year .

R&D Activities:

R&D Activities:

Mr. Parveez Hussain insisted to organanize more number of seminar and workshop in the department in order to enhance the latest technology to the faculty and students.

Finally, chairman thanked all the members for spending their valuable time in the improvement of department activities.
