CIRCULAR

Cir.No.PEC/IBM/2016-17/01

Date: 30-08-2016

Attention to: 3rd & 4th Year (CSE/IT/ECE/EEE) Students

The IBM Carrier Education cell of PEC offers training in Advance courses – **Enterprise Java - J2EE, Cloud Computing, Big-Data, Relational Database – DB2, Mobile Applications design & development, and Embedded systems** for the benefit of the student community.

In this regard, all HOD's are advised to inform the same to the above mentioned students and suggest them to enroll their names to their respective class advisors with respect to their interested course, **on or before 9th September 2016**. The Course and the fees details are enclosed and students can join in the IBM course on their own interest, not by compulsion. The classes will be conducted during semester holidays Nov – Dec 2016. The details of the number of students enrolled for the courses with their willingness letter should be submitted to Mr.Thamba Meshach W, Assistant Prof - II in CSE, on 9th September 2016. The HOD's has to make sure that the enrolled students will pay the course fee within next ten working days. The IBM CE course coordinator Mr.Thamba Meshach, can be contacted @ IBM CE cell, Collaboration building, for any clarification regarding the course.

Benefits of the Programme:

- A blended learning approach, integrating classroom, hands-on lab exercises and team projects to provide both theoretical and practical training to solve real world problems.
- The latest software content and knowledge of IT developments in the market to keep you ahead of technology trends.
- IBM leadership and professional certification in IBM software technology.
- Globally recognized certification which adds value to an individual profile to succeed in their professional career

SUMMARY REPROT ON IBM-CE at PEC

Prathyusha Engineering College (PEC) launched the IBM Carrier Education Programme (IBM-CE) for the benefit of the student community by signing MoU with IBM India Pvt Ltd for IBM-CE programme to train and certify students in Programming fundamentals, Relational Database, Design & Development of Mobile Applications, and embedded systems, through IBM tools and technologies. And prepare them to become an Administrator, Business Analyst, Management experts and an Information Architect.

Through IBM CE programme, the second year students of CSE, IT, ECE, EEE, MECH & CIVIL departments were trained on "ADVANCE SOFTWARE FOUNDATION COURSE". The course duration is 25hrs consists of theory and practical sessions, which gives foundation knowledge on software and programming concepts. The Third year and final year students of CSE, IT, ECE & EEE were trained on advance courses – embedded systems, mobile application development, cloud computing and enterprise Java(J2EE). Mr.Thamba Meshach, Asst. Professor (SG) is the Course Coordinator.

In the Academic year 2016-2017, 444 students were trained and certified on IBM tools and technologies through the IBM CE programme. The details are as follows,

DATE(s)	COURSE TITLE	COURSE DURATION	Year /Department	TOTAL NO. OF STUDENTS
21 st - 26 th December 2016	Advanced Software Foundation Courses (C++, HTML, XML,Java Basics & IDE-Eclipse)	25hrs	II year - CSE/IT/ECE/ MECH/CIVIL/ EEE	444
Total No. of Students Trained and Certified				444

IBM-CE Coordinator
