PRATHYUSHA ENGINEERING COLLEGE

GENDER EQUITY PROGRAMMES

Gender Equity Promotion Program

The Institution ensures that there is a peaceful and harmonious ambience to provide a confident atmosphere to our students. The Women Empowerment Cell is constituted to instill the optimistic inner strengths of a women and to cross borders with courage whenever situation demands. To promote gender equity amongst the co-educational students the cell designs relevant and outcome based programmes exclusively for the girl students throughout the year. The girls are admitted to all UG and PG programmes. Girls and Boys ratio are more or less equal. It shows about the success of gender equity initiatives of the college. On completion of their graduation, students are expected to give back what they gained in the college by serving the society.

SAFETY AND SECURITY:

To enhance the safety and security of the students in general and women in particular, the college has brought CCTV cameras at college , boys and girls Hostels.

Besides, the campus is guarded by the security round the clock to measure the safe of girl's students.

The college is keen on providing safety and security for girl students and women employees and has a separate common room for boys and girls

Transport facilities are available for both boys and girls

Separate hostel for girls within the campus

Ambulance facility is available throughout the day with a driver.

Proper lighting and security measures are ensured for students when they stay after college working hours.

Female staff is mandatorily deputed to accompany the girl students during industrial visits and field trips

Three lady warden appointed to attend any issues at the hostel. And separate timings are allotted for hostel girls to use common amenities beyond working hours.

A women welfare committee to plan and implement welfare and safety measures

Women empowerment cell conduct various activities to provide awareness on safety and hygiene measure for female student and staff.

Separate medical room is available for them for incase of any causalities,

A practice of celebrating International Women's Day annually and conducting cultural festival, exclusively for women

A provision for girl students to have a representative in the class

COUNSELLING

The following are the facilities relevant to counselling to ensure gender sensitivity:

A counseling centre functions during the office hours of the college to facilitate the students to share their problems and get proper counseling.

Mentor is allotted for every 25 students. The faculty mentors meet the mentees periodically during class hours.

A team of faculty is available for mentoring students with depression, psychological problems and even gender-related issues apart from regular academic counseling.

The class hours are accordingly rescheduled to facilitate counselling sessions

COMMON ROOM

The following are the amenities are available in the common room for students:

Separate Common rooms are available for boys and girls

Rest rooms, recreation facilities, safety lockers and furniture.

Books and magazines pertaining to women empowerment.

HEALTH CARE

The health care unit caters any student round the clock. The College has a doctor who visits the institution. The College also has a provision of first-aid treatment in the medical care room / dispensary room in emergency situations. There are Multi-specialty hospitals (3) & other small hospitals (6) within two kilometers Range. All those hospitals have Ambulance Facility. The response time of those ambulances is about fifteen minutes.

Apart from it, the college transportation department has its own medical van which will be used in emergency situations to take the student/staff patients assisted by the staff to the near by hospitals. The College has a health care centre with 2 beds. All the Departments, laboratories and other units of the college have First aid boxes with basic items like Cotton, Tincture iodine, healing plasters etc. Including this facility each department has a sick room for both boys and girls separately.

Others

Women enrolment in NSS

More girls participate in sports and they are as captains of houses

Through Entrepreneurship Development Cell, training provided to our students to become job providers instead of job seekers. Number of Entrepreneurship activities conducted inside the campus to develop the skills of girls and boys.

The celebration of Women's day every year

INTRODUCTION

The National service Scheme (NSS) unit of Prathyusha Engineering College (PEC) was started with the objective of developing students' personality through community service. Every year the NSS unit of PEC is conducting special camp programme in the adopted village. For NSS Special Camp of the academic year 2016-17, Papparambakkam Village, Thiruvallur District was selected, after analysing the village physical environment, basic civic amenities and the social conditions of the village. A fact-finding mission was conducted before the camp by the programme officer, faculties and volunteers under the guidance of Dr.P.L.N. Ramesh, Principal, PEC and Captain R. G. Thayakaran, Director Placement, PEC. The fact-finding team had discussions with the village officials, school head masters and the volunteer group of the Papparambakkam village and finalised the community service programme in the village.

The special Camp programme was scheduled between **6th and 12th March 2017 (7 days)**. Prior Permission was obtained from the Panchayat Board, Block Development Office, Police Station and from the Chief Educational Officer, Thiruvallur. The Special Camp was planned with the main purpose of creating awareness among the village people for a better living and transforming the village a model village.

SPECIAL CAMP MEMBERS

The Special camp members include fifty 2nd year NSS student volunteers of PEC with Mr. Karthigayan. N, NSS Programme officer, PEC and two assisting faculty members Mr. Dinakar Prasad, Director Physical Education Department and Mr. Pirakateshwaran, AP, Department of Chemistry, PEC. A team of PEC faculty members volunteered themselves for the special camp service.

Day-1

Date: 06-03-17 (Monday)

Time: 10:00 am

Place: Papparambakkam village

The fifty NSS student volunteers along with the staff members in-charge reached the camp site at around 10:00 am. The volunteers made a survey about the village and made arrangements for the stay, dining area, etc. Volunteers cleaned the camp site and made arrangements for the 04:00 pm inaugural function.

INAUGURAL FUNCTION

Date: 06-03-17 (Monday)

Time: 04:00 pm

Venue: Papparambakkam village

The Inaugural Function was started with tamizh thai vaazhthu and the lighting of Kuthuvillaku. The welcome address was given by Dr.P.L.N. Ramesh, Principal, PEC. Principal emphasised on the service to the nation and the need of the special camp. The introductory talk was given by Captain R.G.Thayakaran, Director Placement, PEC. Village Officials were felicitated with the shawls, bouquet and memento

The special camp programme plan was explained by Mr. Karthigayan.N, NSS Programme Officer, PEC. He assured the people of Papparambakkam that the service will continue for one more years and measures will be taken to transform the village a model village in the country. The NSS volunteers took oath to serve the nation whole heartedly and it was read out by Mr. Dinakar Prasad, Director Physical edn dept., PEC. Vote of thanks was given by NSS volunteer. Principal thanked the chief guest, Village officials and villagers for their presence. The college management was thanked for their fullest support for conducting the camp. T-shirts, Caps and Badges were distributed to the NSS volunteers. Snacks were provided to the villagers and school childrens. Programme ended with the NSS Song.

Glimpses of the Inaugural Function

Villagers and officials in the function

Day-2

TREE PLANTATION

Date: 07-03-17 (Tuesday)

Time: 4:00 pm

Venue: Papparambakkam village.

The Tree plantation programme was presided over by Captain R.G.Thayakaran, Director Placement, PEC and Mr. Sadhasivam, forest range officer, Thiruvallur. They emphasised on the importance of tree plantation and warned the younger generation about the global warming. Village officials and villagers were also participated in the programme. About 200 saplings were planted by the NSS volunteers and proper fencing was made to safe guard from the cattle's. A group of students of Govt School, Papparambakkam were advised for regular watering and to take care of the plants.
