DEPARTMENT OF ELECTRONICS AND COMMUNICATION

ACTION PLAN AND RECOMMENDATIONS TO THE GOVERNING COUNCIL

DATED ON 20-7-2018

Inferences				
S.No.	Stakeholders	Inferences	Action recommended	Responsibility
1	Alumni	Current Syllabus is very simple & outdated with reference to core industry.	Company specific training can be provided.	HOD
2	Faculty	Syllabus should be aligned with the industries standards.	Periodic visit to industries, arranging seminar from industry technical experts.	HOD
3	Students	Students are theoretically good but practical exposure should be given more importance.	Students should be encouraged for doing internship.	Department Placement coordinator
4	Employer	Students are in the most basic level compare to industry standards.	Students standards should be raised to advanced level. Students should be entertained to participate events.	Project coordinator, Respective event coordinator.

## ACADEMIC COUNCIL MEMBERS:

With reference to the above mentioned inferences & recommended actions. It is suggested to encourage all the students to pursue internship mandatory for every year by providing a credit in their academic performance.
