

MINUTES OF THE 26TH MEETING OF THE GOVERNING
COUNCIL

VENUE: CONFERENCE HALL, Prathyusha Engineering College

DATE: 09.11.2017

TIME: 11.00 AM

The 26th Governing Council Meeting was held on
9th November 2017.

The Principal welcomed the members and apprised
the efforts taken by the college to improve the
academic related activities to the members and
proposed the below points of discussion and review.

The following Governing Council Members have
attended the meeting.

1. Mr. P. Raja Rao,
Chairman

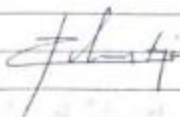

2. Ms. P. Prathyusha,
Member

3. Ms. P. Shakila,
Member

4. Mr. P. Charan,
Member

5. Mr. M. Vallu,
Member

6. Mr. Arivanandam,
Member

7. Dr. N. Sivaprasad,
Member

8. Dr. S. Narasimha Rao,
Member

9. Dr. Ramesh P. L. N., ~~P. L. N.~~ D
Member Secretary.

ADDRESS BY THE CHAIRMAN

The Chairman welcomed all the members of the Governing Council and sought for their co-operation in all the activities. On a motion sponsored by the Chairman, the following resolutions were adopted by the Governing Council.

The following points were discussed,

ADMISSIONS:

1. To conduct Science Exhibition - Prayoga-Tantra 2018 for 6th to 9th standards during the month

of February 2018 and Prayoga-Series for 10th to 12th standards during the month of June 2018 in association with DST.

2. Andhra Campaign was planned and scheduled for the academic year 2018-19.

3. Approval was received to arrange a School Teachers meet on 25th March 2018.

4. Free Summer Technical Training for Plus Two students from March until the publication of results.

ACADEMICS:

1. To reopen the college for the II and III Year students on 4th December 2017 and for the I Year students on 22nd January 2018.

2. Academic Schedule for the Even Semester to be decided.

3. To conduct parents teachers meeting after the publication of University Results during the month of February 2018.

4. Nov/Dec 2017 University Results expected to be 85-90% based on the inputs received from HODs, Mentors, Class In-Charges and Internal Assessment Tests.

5. To motivate more students participation in National and International level Project Design Contests.

PLACEMENT:

1. Arrangements for more On-Campus drive proposed.

2. More specific training for students and online tests before the commencement of Campus interviews.

3. To conduct HR course in association with ICT Academy.

TECHNICAL TRAINING:

1. To conduct Industry Expert Interaction, Workshops, Industrial Visits, Seminars for II, III and IV year students to strengthen them in Engineering aspects through 56 Technical Clubs.

2. The GATE and IAS classes for interested and eligible students to be continued during the even semester.

3. To conduct Motivational Talk by experts for first year students.

GENERAL EVENTS:

Proposed to conduct the following,

1 Annual Cultural and Sports Day for the students on 23rd, 24th February and 3rd March 2018 respectively.

2 Hackfest and Technical Premier League on 21st, 22nd February 2018 and 1st, 2nd and 3rd March 2018 respectively.

3 Project Exhibition for all students to mark the celebration of National Science Day on 28th February 2018.

4 IEEE - ARESB 2018 - International Conference on 27th + 28th February 2018.

5. WIE programme during the month of March 2018.

6. Women's Day Celebration on 8th March 2018.

7. Association with ICT Academy as partner.

8. Ratified to conduct PMKVY - IT during December 2017 to conduct training for I Grade.

9. Ratification received for the conduct of Industry Technical Experts Meeting during the month of June 2018

10. R & D Cell has been constituted as per instruction received from Trust.

RESOLVED the above proposals

~~Prin~~ - 0

Principal & Member Secretary.

MINUTES OF THE 27th MEETING OF THE GOVERNING COUNCIL

VENUE: CONFERENCE HALL, PRATHYUSHA ENGINEERING COLLEGE

DATE: 28.05.2018

TIME: 10.00 AM

The 27th Governing Council Meeting was held on 28th May 2018.

The Principal welcomed the members and appreciated the efforts taken by the college to improve the academic related activities to the members and proposed the below points for discussion and review.

ADDRESS BY THE CHAIRMAN

The Chairman welcomed all the members of the Governing Council and sought for their co-operation in all the activities. On a motion sponsored by the Chairman, the following resolutions were adopted by the Governing Council.

The following points were discussed.

ACADEMICS:

1. To reopen the college for the II Year students on 10th December 2018 and III Year students on 12th December 2018 and for the I Year students on 18th January 2019.
2. The Budget for the academic year 2019-20 was proposed for approval and the Academic schedule for the even semester to be decided.
3. To start an additional course in the UG stream, B Tech - Information Technology and in the PG stream, M Tech - Bio Technology.
4. To conduct Parents Teachers meeting after the publication of University Results during the first week of September 2018.
5. November / December 2018 result after re-evaluation were submitted as follows.

Department	I Year	II Year	III Year	IV Year	Average
BioTechnology	84.80	100	100	100	96.62
Civil	55.00	28	71.22	90.57	76.09
CSE	94.34	78.79	81.80	90.22	87.86
ECE	95.24	71.03	79.37	73.49	78.97
EEE	90.24	65.71	70.99	91.89	82.61
IT			80.00	85.19	83.33
Mechanical	78.75	75.71	85.19	85.58	81.79
Overall	88.53	73.10	82.40	85.37	82.59

May/June 2018 University Results expected to be 85-90% based on the inputs received from HODs, Mentors, Class in Charge and Internal Assessment Tests.

6 The members appreciated the efforts of the college for achieving 5th rank with regards to Academic performance amongst 197 Anna University affiliated colleges.

7 Students should be motivated towards participation in National and International level Project Design contests by exhibiting projects which should be converted into products (marketable products).

8 Conferences should be conducted Department-wise instead of Symposia.

6.62
6.09
37.86
18.97
52.63
83.33
81.79
82.89

9. Papers should be published in SCI, Scopus indexed and peer reviewed journals.

10. All departments should apply for funded projects / proposals from various funding agencies

11. Mentors of I Year students would be the same till the completion of their course

12. Event Management Clubs would be formed to take care of all event organisations

13. To adopt modern teaching methodologies and enable self-learning through NPTEL and MOOC

14. Grievance Redressal mechanism with reference to Hostel, Academic and other facilities are received from all the stakeholders including students and parents and various committees are constituted to rectify the problems at the earliest. The committee also ensures that the problems are rectified

15. The following vocational courses were applied.

- * Automobile Engineering & Servicing
- * Refrigeration and Air-Conditioning
- * Graphics & Multimedia
- * Food Processing

16 Playground levelling has been done

17 With reference to the Travel Grants for staff attending International Conferences abroad, two faculty have been approved for the foreign Travel Grant.

CSR ACTIVITIES:

To conduct Prayoga Sessions for 10th to 12th standards during the month of October 2018 in association with TNSE.

ADMINISITIV

Anti-rain Campaign was planned and scheduled for the academic year 2019-20.

PLACEMENT:

1. Arrangements for On Campus drives proposed
2. More specific training for students and online tests before the commencement of Campus interviews.
3. To make the students aware of the expectations of the recruiting HRs, it was decided to conduct HR conclaves in

association with ICT Academy.

4. The status of eligible students for placement for 2019-20 based on 5th semester is as follows

Department	Total No of students	No of eligible students	Remarks
Biototechnology	34	25	Placement
Civil	78	62	Coordination
CSE	82	69	are requested
ECE	126	105	to increase the
EEE	33	24	placement by
IT	30	22	internship.
Mechanical	80	67	Training and
Total	463	374	Placement

The status of placement for students passing out in 2019 is as follows.

Department	Total No of students	No of eligible students	Placed students	Placement %	
				not eligible single	eligible and
Biotech	33	29	29	100%	100%
Civil	107	64	27	25%	42.18%
CSE	92	70	46	50%	65.71%
ECE	166	113	103	62.04%	91.15%
EEE	74	53	48+8(Ne)	75.67%	90.54%
IT	54	37	27	50%	72.97%
Mechanical	104	69	63	60.57%	91.3%
Total	630	435	351	55.71%	80.68%

TECHNICAL TRAINING

1. To conduct Industry Expert Interaction, Workshops, Industrial Visits, Seminars for all the students to strengthen them in interview skills through 56 Technical Clubs

2. To conduct Technical workshops in association with Industries for students to enhance their technical skills

OTHERS:

1. To conduct skill based training to rural students in alignment with Government initiative through PMKVY

2. Anna University Regulation 2017 has been discussed and the suggestions regarding the difficulties in implementation of the same need to be communicated to Anna University.

MERIT SCHOLARSHIPS:

To motivate more number of students based on CGPA, the Trust has approved to introduce Sri Sivaramayya Merit Scholarship to the students instead of bond based scholarships as follows.

Between 8.5 and 9 CGPA - B. 5000/-

Between 9.0 and 9.5 CGPA - B. 10,000/-

Above 9.5 CGPA - B. 15,000/-

GENERAL EVENTS:

Proposed the following.

1. Introduction of two periods which can be utilized for sports, library or Club activities.
2. Online Examination would be hosted at the college for utilization of unused resources.
3. Twelve members of IJEE executive should be formed to increase the Journal access to the students and staff.
4. IQAC audit would be conducted in a centralized manner in the Reference library.
5. To conduct Graduation Day after Anna University's convocation ceremony.
6. To organise Induction Day during the second week of August 2018.

7 To arrange motivational talk for I year students.

Resubmit the above proposals.

ADDRESS BY THE CHAIRMAN

The Chairman welcomed all the members of the Governing Council and sought for their cooperation in all the activities. On a motion sponsored by the Chairman, the following resolutions were adopted by the Governing Council

The following points were discussed.

ACADEMICS

1. To conduct Parents Teachers meeting after the publication of University Results during the first week of February 2019.

2. April / May 2018 Results after reevaluation were submitted as follows.

Department	I Year	II Year	III Year	IV Year	Overall
Biototechnology	91.49	100.00	100.00	100.00	97.24
Civil	45.00	28.00	85.46	98.11	82.53
CSE	76.43	71.63	73.19	93.48	78.57
ECE	89.22	80.00	87.30	96.39	89.18
EEE	68.29	45.71	81.82	97.30	78.14
IT			83.33	94.64	90.48
Mechanical	77.22	55.07	82.72	95.19	79.53
Enroll	79.24	67.86	84.68	96.18	84.09

November/December 2018 University Results were expected to be 85-90% based on the inputs received from HODs, Mentors, Class-in-Charges and Internal Assessment Test.

3. To enable more members of students in Smart India Hackathon participation by receiving suggestions from Industry Mentors.

4. In order to inculcate the self learning capabilities and to enhance the following amongst the student

Alertness

Note taking practice

Writing practice

Regular to class (Attendance)

Understanding and studying

Open Note Book Test was proposed to be introduced for First Year students for IAT1 on trial basis

5. Faculty to be encouraged to undergo internship for 10 day during their vacation to know the student after internship in their respective clubs and certify them accordingly.

6. Based on the difficulties in analyzing the performance of the slow learners lying between the range 50-60% and below 50%, the previous system of 70% as pass percentage for the I Year student, generally the HODs targets in IATs were modified as follows,

Pass Percentages should not be 50% for Higher secondary students and 70% for First Year student but targets should be based on the category of students among between the ranges 60-69% and 70 and above.

7 Proposed to discuss about autonomous status and skill based education in the next meeting.

8 Faculty publications in reputed journals should be increased.

9 The departmentwise percentage of graduands of the Academic Year 2017-18 along with the Rank list were submitted to The Governing Council.

Department	Total strength	Graduand	% of Graduation	Rank
Biotechnology	33	33	100%	5 (4, 5, 19, 21, 23)
BE - Civil	108	96	88.89%	-
M.E. Struct. Engg	9	7	77.77%	-
BE - CSE	92	83	90.21%	-
BE - ECE	166	160	96.38%	-
M.E. - Comm. Sys	3	3	100%	-
BE - EEE	74	65	87.83%	-
IT	54	43	79.62%	1
Mechanical	104	94	90.38%	-
Overall	643	584	90.82%	6

10 For continuation with the submission of research proposals to various funding agencies, grant of approximately Rs.45 lakhs have been received and the members have appreciated their efforts.

CSR ACTIVITIES:

To conduct Prayoga Turvosa during the month of June 2019.

ADMISSION:

1. Andhra Campaign to continue as planned and scheduled for the academic year 2019-20.
2. Tamil Nadu Admission Strategy is also scheduled for all schools by the respective route in charge.
3. Students should be encouraged to undertake atleast one course in NPTEL every semester and receive an online certification.

PLACEMENT

1. Arrangement for more on campus drives by Core Companies proposed especially for Mechanical Engineering students.
2. Internal Training for Aptitude, Soft Skills and Technical skills to be included within the working hours.
3. To conduct HR seminars in association with Core Techs Technologies.

TECHNICAL TRAINING

- 1 To analyse the outcomes of Technical Clubs and to enrol first year students associated in Clubs.
- 2 To organise more Industrial visits to expose the students to the real industrial environment and the demands of the Industry.

GENERAL EVENTS:

Proposed the following

- 1 To conduct IEEE Conference during the month of July 2019.
- 2 IQAC Audit would be conducted departmentwise more qualitatively.
- 3 Faculty would be visiting the Hostel to receive feedback from the students towards grievance redressment.
- 4 NSS Camp to be organised at the adopted village.
- 5 To conduct awareness workshop on "No Plastics" at the college and also at villages.

6. To conduct Open House Project Expo in association with all the societies.
7. To conduct Project Exhibition for Final Year students and to be reviewed by HR-Technical Manager.
8. To conduct Women's Day during 8th March 2021.
9. To conduct Annual Sports and Cultural during the last week of February and the first week of March respectively.
10. Department wise workshops and Symposia need to be organised.
11. The application for autonomous status of the college were reinstated for the academic year 2020-21.

Resolved the above proposals.

Dr. P. S. H. PARKER Secy
PRINCIPAL AND MEMBERS NCESSARY

The following points were discussed

1. Institutional aspects and infrastructure
2. New Initiatives
3. Placement and Training
4. Research and Development
5. Work with Industry
6. Faculty and Staff
7. Autonomous Status

The members suggested the following

1. Academic Budget

The Governing Council has approved the proposed budget for the academic year 2012-2013. Suggestions were given to include the department faculty salary in the Academic Budget and also to prepare the budget based on the previous year's obligation. Contingent for the own obligation of the budget should also be included by incorporating the suggestions to the Management.

2. NSSC achievements

The students and staff achievement in NSSC online certifications were appreciated by the Governing Council Members. It was suggested to categorize the statistics of NSSC.

encouraged equality for faculty and students and also to encourage the students with attractive conditions.

3. Placement and Training

The members highlighted the placement activities in organizing Intercollegiate Campus Drive to recruit IT placement in an attempt across all the departments. It was understood that the IIT commitment was spread to provide candidates from the departments of CE and IT. They also advised that appropriate training may be given to the recruited students before the recruitment drive from the IIT level onwards and sometimes through "Join the Trainee" programmes. The Member Secretary explained in detail about the technical and soft skills as mentioned below.

The training activities for the best and talented students towards placement in major IT companies like Google and Microsoft etc. were projected.

The members were interested in understanding the details of internship and suggested that the students should also be sent to

National Laboratories for field experiments

It was suggested that some industries may be invited as their to prepare the cost analysis of student during their laboratory and also to establish a bank of funds

It was also suggested that computer specific training may be given to students based on industry needs.

Research and Publications.

The governing council members have appreciated the efforts to obtain the funds from IIT but expect more to be extended to other organizations to obtain funds. In the regard it was suggested that target for publications in IIT/Journal should be set for the faculty to secure the improvement in the knowledge of the college.

An exclusive committee should be constituted to assess and improve the relations of the published papers. Dr. N. Maheshwari accepted to accept the invitation on this regard. He also advised the departments to submit proposals to organizations like CSIR, IITM under CSR category, IITM, joint proposals

in IIT under Birds Topan and other
colleges etc. to increase the standard of
research.

Patents:

More number of patents should be applied
and published to improve the IIT status of
the college which is mandatory for ARA
and autonomous status.

2. Cells with Industries

The governing Council Members appreciate
the existing IITs suggestions were made to
connect our MOOs with foreign Universities
to enable knowledge sharing on par with
global standards and for updation in our
research trends.

2. Projects and clubs: Open House Project Expo

An Open House Project Expo should be
organised by all the effective Technical Clubs
to expose the talents to the industry expert
and also widen the visibility of the club
to the external participants from various
Other colleges. Students should be encouraged
to participate in National level Project
competitions held at IIT, IIS, etc.

Decide for projects would be reviewed with the inspection of the authorities supported by IIT Bombay where details would be found by the P.D. Ministry

• Governing Council Meeting

It was suggested that the follow up of the meeting should be discussed in the next Governing Council Meeting

5. Autonomous Status

The process towards application of autonomous status was projected during which the members reported the working towards the process with an intention the members volunteered to assist the college in identifying appropriate members for the constitution of various committees like P.D. Board and Council etc.

6. Entrepreneurship Development Cell

The members appreciated the efforts of the IIT but also reported there to be a need in providing entrepreneurial cell/department and also to display the firm details comprising of the percentage of students as entrepreneurs with the names of their companies.

10. Teaching Learning Process:

The Member recommended the change in pedagogy through flipped classrooms, student involvement in lectures part etc.

11. Adoption of colleges:

The Member advised that the neighboring colleges could be adopted to improve the availability of the college at its vicinity.

12. Career Guidance Programme:

The Member suggested that students should be encouraged to pursue GAT and JEE exams for the higher studies abroad.

13. The Principal requested the guidance of Dr. P.V. Narasimhan, Professor to analyse the provided curriculum of Regulation 2017 to understand the requirements and methods to bridge the knowledge gap.

14. Dr. P.K. Murthy appreciated the efforts of the Department of Biotechnology in honing the unique skills of their students and encouraged the Humanities and Social Department in contributing towards skill development programmes.

If Dr. A. Hanuman suggested that text
material through digital library may be
explored to enhance the learning
process.

Around the Agenda

The details of conferences in association
with professional societies and journal
publications, Action of guidelines and treatment
was Manuscript in Professional Societies were
suggested to be displayed in the next meeting.
Students should be encouraged to participate
in Conferences organised at IIT and IIT etc.

Dr. K. Vinayak Rao Professor advised
that all the classmate should be encouraged
to prepare and guide at a few research
articles. He volunteered to assist the
colleges in setting up a research fund with
a tie up in association with industries
started by himself.

Dr. P. K. Narasimha Krishna suggested the
college may host International Conferences
like IIT etc. He also introduced library
as a blind review, article written in
Education Plus in the Hindu and a blind
review, article written in Education Plus
and a graph translator. He volunteered to

assist the college in these and
similar matters. It was also urged
for these sections to meet the present
challenge in Nationalism under the
new State University legislation.

International cooperation may be
conducted in association with
National Geographic Research Society.
It was also suggested that maximum
funds may be allotted for academicians
and students to obtain effective
results of the enterprise.

Revised the above proposals.
