Dengue Prevention Camp – Distribution of Nilavembu Kudineer

25.01.2016

With the news on dengue and the chikungunya outbreak in certain areas of the State occupying prime space in news bulletins and newspapers, a fear is spreaded among the public that drives them to search for precautionary measure. With a vision to promote awareness on dengue fever and to prevent college students being affected by dengue, National Service Scheme of Prathyusha Engineering college organised distribution of Nilavembu kudineer to the students and faculties for 4 days targeting nearly 2500 students and 250 faculties.

Nilavembu Kudineer — a herbal drink that boosts immunity was distributed to control the outbreak of dengue. Nilavembu Kudineer is a polyherbal decoction and contains the following herbs: Nilavembu, Vettiver, Vilamichai ver, Chukku, Milagu, Korai Kizhangu, Santhanam, Parpadaagam and Pei pudul. 30 ml of nilavembu kudineer was distributed to every student of Prathyusha Engineering College and also to all teaching and non-teaching staffs. Since the response was so encouraging, Nilavembu kudineer was distributed for four days in the campus as well as in hostel. Faculty team included in the camp were Mr. Dinesh Kumar, Biotech, Mr. Dinakara Prasad, PED, Mr. Pachayappan, PED and NSS students
