Memorandum of understanding

The memorandum of understanding is reached between Medox Biotech India Pvt Ltd, Chennai (hereafter called as first party) and Head of the Institution, Prathyusha Engineering College, Aravoyal Koppam, Thiruvallur, Tamilnadu (hereafter called as second party). The memorandum of understanding (MOU) is signed by both the parties to promote the welfare of the student community.

- 1) The first party agrees to permit the students of second party to visit the plant operation with prior written permission and acceptance.
- 2) The first party also agrees to accept a batch of maximum of five students to do the final semester industrial project at the premises of the first party for the period of two to three months starting from the academic year 2015-16 at suitable cost. During training and project period, the student shall make their own arrangements for their lodging and boarding requirements.
- 3) The first party also agrees to permit the industrial experts working in it s concern to share their expertise with students and faculty to the second party. The venue of the lecture, date, time, and mode of travel will be finalized mutually.
- 4) The second party shall be in the list of institutions where Medox Biotech India Pvt.Ltd carries out campus recruitments.
- 5) The first party also agrees to share the research facilities including the sophisticated instrumentation facilities in various research laboratories. The accessibility of the instruments may be given under strict supervision.
- 6) The first party also agrees to undertake any collaborative funded projects under the academic experts working for the second party. The sharing of the work may be done on mutual agreement.
- 7) The MOU is a mutual agreement between both the parties and has no legal binding. The MOU is valid for a period of minimum three years and could be renewed on mutual consent.

Both the parties signed in the agreement for the above.

Lio

2015 - 2016

Prathyusha Engineering College
Department of Biotechnology

Department of Biotechnology, Prathyusha Engineering College collaborated with Medox Biotech private Ltd., jointly organized Faculty Development Program on Modern Biotechniques were organized from 18.01.2016 to 25.01.2016. Totally 12 faculty members were participated.

The Event had two session per day. The sessions were handled by Medox Team members by explaining the recent techniques introduced in molecular biology. The first session was started with explaining about Medox lab facility and the productions in the company. Followed by afternoon session was hands on training on modern techniques implemented in Medox. Everyday with new techniques includes modernized electrophoresis kit, preparation of various Kit for Immunological assays and molecular assay. Participants were benefitted by gaining more relevant techniques in modern molecular techniques.

PRATHYUSHA ENGINEERING COLLEGE

INDUSTRIAL VISIT-DEPARTMENT OF BIOTECHNOLOGY

Year-III YEAR (Batch: 2013-2017)

Venue: Medox, Gammudipoondi

Date: 08-08-2015

Staffs: Archana, H, Ram, K

Purpose of Visit: To observe the preparation, packaging and production of the Biotechnological Kits (Molecular Biology and Immunology).

Course of Visit : The chemicals used in the Biotechnological kits, their preparation and storage were explained. The process of plant tissue culture was demonstrated and each of its stages explained with the cultivated plants.

Relevance to the Syllabus: Owing to the presence of Molecular Biology Lab in the syllabus, it was useful in learning about the kits used. Understanding the process of Plant Tissue Culture is essential in the study of Biotechnology.

ABOUT WORKSHOP

Research aims at exploring the frontiers and conquering the unknown. Biotechnology is an ever developing domain. Right at research, Concept learning is the only way ahead to keep ourselves abreast of the changes.

Animal cell culture is the backbone of the future as it plays an important role in research and development of drug discovery and also helps in improving the health and quality of life of patients suffering from degenerative diseases like cancer, genetic disorders, etc., Research in this arena is focused to bring our future endeavors and opens to success.

With the belief that education and experience is the best to research, we cordially invite you to attend the workshop on "Animal Cell Culture" and share your knowledge and experience with us.

The workshop will focus on imparting:

To: Ms.K.Murfath yasin
Dept of Biotech,
Prathyusha Engineering College,
Chennai

Dear Ms.K.Murfath yasin,

I am pleased to offer you as RESEARCH ASSOCIATE at our office with effect from 02.03.2019. The stipend for this period will be Rs.34,000/- per month during the period as consolidate pay. You will be expected to work an average of 30 hours a week during the length of the appointment.

You shall be probation for a period of 6 months. During the probation period if your performance is not satisfactory the management reserves the right to terminate your service without assigning any reason thereof or without any notice or notice pay thereof. The management also reserves the right to extend the probation period if your performance is not satisfactory.

The purpose of your appointment is to assist us in carrying out the research goals also will be responsible for the written evaluation of your performance at the end of the period.

Your service is liable to be transferred to any department. You will perform the duties and carry out the assignments entrusted to you from time to time efficiently, sincerely and to the best of your ability and capacity.

You have to keep and render a faithful account of all properties and business secrets of the company entrusted to you in the course of your employment and shall not disclose to anybody at any time, during your service or even after you leave the service of the Company.

You may be dismissed prior to the expiration of the period set forth above for cause, including but not limited to, incompetence, serious personal or professional misconduct, failure to carry out your assigned duties, theft or misuse of the company property, acts of moral turpitude, insubordination, intellectual dishonesty, use of professional authority to exploit others, or violation of law and/or Company rules and regulations.

If you agree with the terms of this offer, please sign below and return the signed offer to the undersigned.

Sincerely Yours,
BG Crop Science & Technologies (P) Limited

Winny Irwin Jose
Chief Executive Officer

WHEREAS PITAM and IBM having felt the need to provide the learners with the trainings which may lead to enhanced skills, IBM and PITAM agree to work through the IBM Career Education program

WHEREAS PITAM and IBM agree that all discussions between PITAM and IBM are non binding unless and until the parties enter into written, definitive agreement signed by their duly authorized representative and neither party shall be obligated to enter into such an agreement

WHEREAS IBM anticipates that PITAM will elect to engage IBM as the primary and preferred technology provider for software and services.

Now therefore this MoU witnesses:

I - DEFINITIONS

"PITAM" hereby refers to PITAM (Optional - Affiliate University and Colleges associated to PITAM).

"Faculty" hereby refers to Training Staff of PITAM, (Optional - Affiliate University and Colleges associated to PITAM).

"Students" hereby refers to all the students of PITAM (Optional - Affiliate University and Colleges associated to PITAM).

Career Education Courses: As attached in Annexure 1 the list of courses for agreed with PITAM which PITAM students will receive training

List of Affiliate University and Colleges associated with PITAM, if any are listed in Annexure 3

II ROLES AND RESPONSIBILITIES

The proposed roles and responsibilities of the parties in connection with this proposed relationship are described as under

IBM, through its authorized training partners, will perform the Training activities for Career Education courses as per the details given below and activities as described in Annexure 2. The MoU shall only govern the provision of products and services provided by IBM Career Education, a division of IBM India Private Ltd to PITAM.

Under this MoU, PITAM also assures IBM that it will achieve a minimum target of 1000 students taking IBM Career Education courses every one (1) year from the effective date of the signing this MoU, It will also be the endeavor of the PITAM management to initiate the process of IBM Software to be included in their curriculum in case it has not been included so far.

PITAM will ensure that during the validity of this MoU, if required by IBM, appropriate space for 2 sign-boards is provided for as per the IBM specification for each associated college covered on the campus boundary and inside the campus for them to be distinctly visible.

IV. a) Training

During the term of this Agreement, IBM India Private Ltd agrees to conduct training on IBM Career Education courses through certified training partners for students identified by the PITAM. The cost of the trainings will be as per the agreement between the IBM training partner and the college. PITAM will pay for these trainings at the start of the semester for all the students who have been enrolled for the program. IBM shall not be liable for the actions or omissions of the IBM training partner. PITAM shall seek its remedies, if any, solely against the IBM training partner with respect to any services and materials which have been rendered by the IBM training partner.

b) Software

IBM will provide all IBM Software required for the training programs through the WW Academic Initiative program. This software should be used strictly for training & enablement purposes for students & faculty members of PITAM. No commercial usage is allowed. Software available through the Academic program is available under applicable IBM International Program License Agreements (IPLA) terms and the provisions of this MoU

V - BREACH OF MoU

In the event of any breach of the terms of this MoU, which is capable of rectification, by either party hereto, such other party shall be entitled to call upon the party to rectify such breach within fifteen days from the date of the notice, failing which the breach shall be deemed to be a material breach, and shall entitle such other party to rescind this MoU for material breach.

VI - TERM AND TERMINATION

The MoU shall be effective from the effective date, and shall be valid for a term of three years, unless terminated earlier by either party, or extended mutually by both parties hereto, on the same terms and conditions as herein.

This MoU will terminate upon written notice by either party. The notice of termination should be issued at least 60 days before the intended date of termination unless extended or terminated earlier. If at any time any party wishes to withdraw from further evaluations and discussions in connection with the subject matter of this MoU and terminate the MoU, it may do so with or without cause and without liability by providing the other party with written notice of its intention to withdraw from further evaluations and discussions.

In the event of termination of this MoU for any reason whatsoever, including termination due to breach by IBM, the license granted to PITAM by virtue of this MoU, shall also stand automatically terminated without any further act of parties. PITAM will also return or destroy at IBM's discretion, all material provided by IBM including slides, soft copy courseware provided by IBM towards internal trainings.

The following obligations will survive termination of this MoU for any reason:

Use and nondisclosure of confidential information.

Indemnification and Liability,

Obligations to make payments of amounts by PITAM that become due by virtue of this MoU, prior to termination.

A handwritten signature in black ink.

VII – LIMITATION OF LIABILITY

Neither party shall be liable for any indirect, punitive, special, incidental or consequential damages arising out of or in connection with this MoU, whether for breach of this MoU or in torts, including loss of business, data, revenue, profits, or for any third party claims against the other (except as specifically admitted by paragraph 2 below) whatsoever.

Except for IBM's obligation to indemnify PITAM in the event of a claim of breach of a third party's patent or copyright to the extent that it is IBM's sole act or omission due to which such claim has arisen (as set out in under the Partnerworld Program) and except in the event of breach by PITAM of any of IBM's Intellectual Property rights or IBM confidential information, the Parties agree that either Party shall not be liable to the other or any other third party for any direct damages incurred in connection with this MoU.

VIII – ARBITRATION

Any and all disputes, controversy or claims related to or arising in connection with this MoU shall first be referred to the Chief Executive Officer of PITAM and Country Manager, IBM Career Education of IBM for an informal resolution.

If this informal resolution does not resolve the dispute, then the matter will be referred to and settled by binding arbitration in accordance with the Arbitration and Conciliation Act, 1996. The status of any such arbitration shall be Bangalore. The award of the arbitration may be enforceable in any court of competent jurisdiction. Each party shall bear its own costs and fees in connection with the arbitration.

Unless agreed otherwise, the number of arbitrators shall be three, with each side to the dispute being entitled to appoint one arbitrator. The two arbitrators appointed by the parties shall appoint a third arbitrator who shall act as chairman of the proceedings. Vacancies in the post of chairman shall be filled by the president of the Bar Council of India. Other vacancies shall be filled by the respective nominating party. Proceedings shall continue from the stage they were at when the vacancy occurred. If one of the parties refuses or otherwise fails to appoint an arbitrator within 30

days of the date the other party appoints, the first appointed arbitrator shall be the sole arbitrator, provided that the arbitrator was validly and properly appointed. All proceedings shall be conducted, including all documents presented in such proceedings, in the English language. The English language version of this Agreement prevails over any other language version.

IX - GENERAL

This MoU shall not be construed to be an agency or a partnership or joint venture or an employment relationship. Neither party shall be entitled to bind the other party with any third party by its actions, unless it has specifically obtained the prior written consent of such other party to do so.

Each party is an independent contractor, and nothing under this MoU shall be construed to create an employment relationship, whether for tax or for any other purpose, nor any partnership or joint venture between the parties. No provision of this MoU grants either party any express or implied right of authority to assume or create any obligations or responsibility on behalf of or in the name of the other party, or bind the other party in any manner or thing whatsoever. Neither party nor its personnel shall be considered employees of the other.

Neither party shall assign or transfer this MoU or any benefits or rights or obligations accruing to it under this MoU, without the prior written consent of the other party.

IBM shall during the term of this MoU be entitled to audit the license usage records of licenses hosted on PITAM premises as well as training attendance records maintained by PITAM. This audit can be conducted only during reasonable business hours.

The existence and substance of this MoU and the rights and obligations of the parties herein will be kept confidential by PITAM and will not be disclosed to any third party without the prior written consent of IBM. Notwithstanding the foregoing, PITAM may make such disclosure to the extent required by law, court or statutory authority, in which case PITAM will promptly inform IBM to allow IBM a reasonable opportunity to obtain a protective order. IBM and PITAM agree

not to use the trademark , trade names , services or any other proprietary marks of the other party in any advertisement , press releases , publicity matters or other promotional materials without prior written approval of the other party. Any press release, publicity or media interaction pertaining to this MoU signing or IBM activities on campus need to have prior written consent from IBM. Any violation of this will amount to material breach and will lead to the termination of this MoU.

This MoU supersedes all prior oral or written communication, discussions and representations communicated between the parties hereto in respect of the subject matter of this MoU. Any modification to this MoU shall only be made by way of a written document duly executed by representatives of both parties hereto.

If any provision of this MoU is held to be unenforceable or illegal under certain circumstances for any reason, such decision shall not affect the validity or enforceability of such provisions under other circumstances or the remaining provisions hereof and such provisions shall be reformed only to the extent necessary to make them enforceable under such circumstances.

Any notice under this MoU will be in writing and delivered by hand or by registered mail, return receipt requested, to the other party at the registered office or as may be substituted by the notice. If any notice is sent by mail, notice will be effective on the date of receipt.

PITAM shall maintain at all times, a one-point contact for the IBM trainings being conducted at the institution. Any change in the contacts below will be promptly notified to IBM.

Renewal of Memorandum of Understanding (MOU)
Of Campus Connect Program

Infosys and Prathyusha engineering college had entered into a Memorandum of Understanding (MOU) on 20-Jan-11 with respect to enriching the technical education process and to jointly work for enhancing the quality of education imparted to students, faculty and management of selected colleges of the University related to the field of Information Technology (IT). This MoU was subsequently renewed on 19-Jan-13 & 18-Jan-15. The term of MOU will be expiring on 17-Jan-2017. The parties wish to extend this MOU for further period of Two (2) Years, and therefore agree the term of the MOU till 16-Jan-2019.

The Campus Connect MoU has undergone some modifications. The modified version is given along with this. The terms and conditions of the partnership are detailed out in the MoU.

INFOSYS CAMPUS CONNECT

October Odyssey – Webinar Series from 1st Oct to 31st Oct 2020.

Webinar session plan (each session):

Lecture / Demo	50 Mins
Q&A	10 Mins
Target Audience	Target audience: Second /Pre-Final / Final Year B.E / B.TechStudents and Faculty

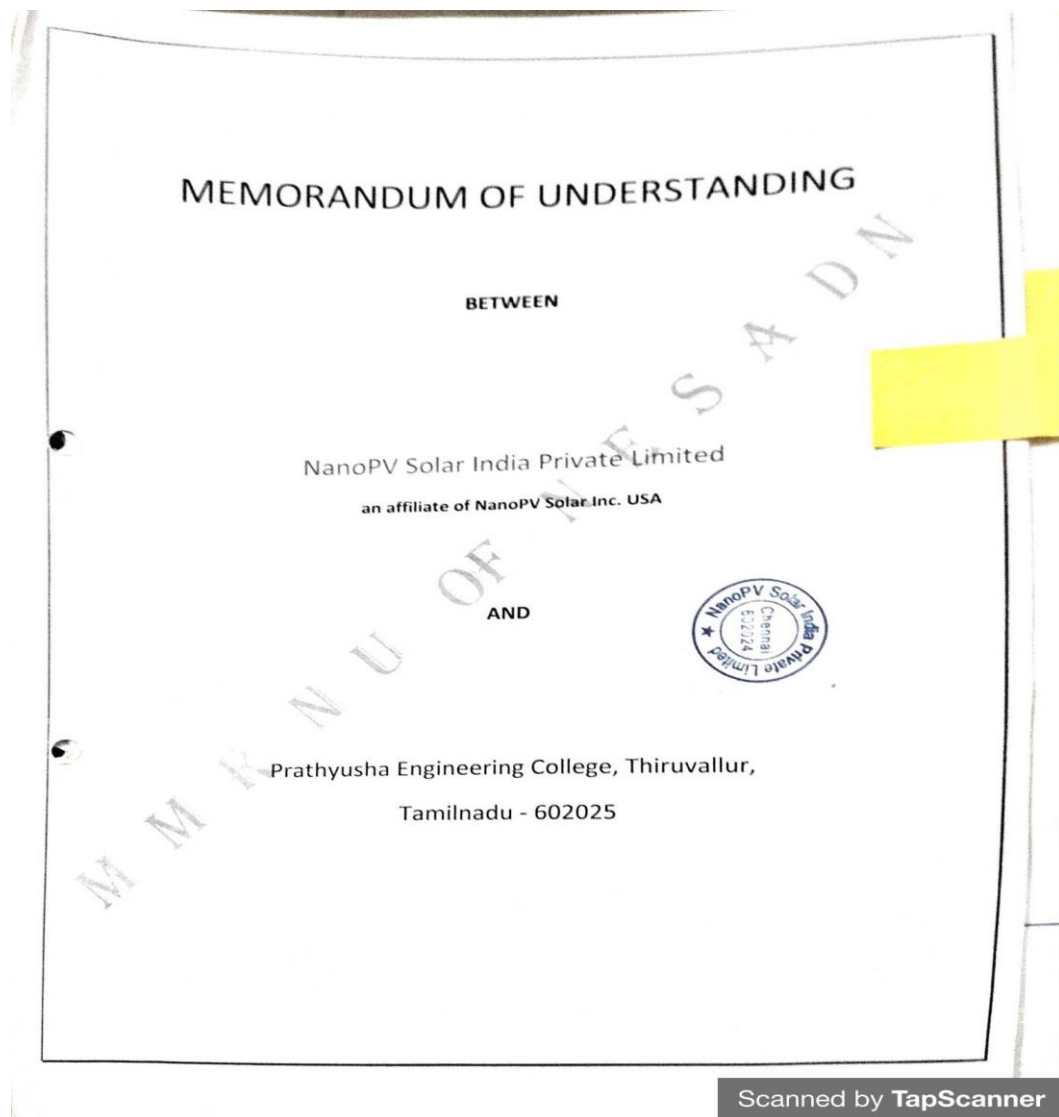

- Decided to have an 5 one hour webinar based training sessions focusing only on the first course module i.e. “Programming Fundamentals using Python” as a pilot program
- This training session starts from next Monday 3rd Aug
- Every week only on Monday and Wednesday from 6.00 PM to 7.00 PM these session will be conducted
- Decided no of nominations per college is 10 [5 students from 2nd Year and 5 students from 3rd Year including ambassadors]. Please use the help of ambassadors while selecting 10 students for this training program.
- Nominations can be from any department but those students should have the grit to clear the certification.
- No e-certificates will be issued for this training program.
- After the training program, the participants should form 2 to 3 groups and each group can guide 5 to 15 other students of their college. If needed, they can get support from the College SPoC, Faculty members who attended the Infosys training program and Infosys SPoC
- We will send invitations for the training program today EoD

MEMORANDUM OF UNDERSTANDING

BETWEEN

NanoPV Solar India Private Limited

an affiliate of NanoPV Solar Inc. USA

AND

Prathyusha Engineering College, Thiruvallur,

Tamilnadu - 602025

PREAMBLE

Whereas, Prathyusha Engineering College, Thiruvallur, Tamilnadu – 602025 (PEC) at its various engineering and sciences departments is charged with responsibility of training technical and scientific manpower in various front-line areas of importance for the Nation and is also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial & applied research and consultancy.

WHEREAS, NanoPV Solar India Private Limited (NSIPL) is engaged in manufacturing, research, design and development and consultancy in the field of current generation using renewable resources.

WHEREAS, both PEC and NSIPL, now

- Recognizing the importance of research and development in the areas current generation using renewable resources, as well as imparting industrial training to the engineering/technology/sciences students, etc.

CST No. 1125110 Dt 11.02.2013.
TIN No. : 33611724222
SERVICE TAX NO. : AACDN2564QSD002

- Appreciating the need for creation of large reservoir of highly qualified manpower in all fields related to Current generation using renewable resources.
- Desiring to club their efforts by pooling their expertise and resources, INTEND to form a nucleus for promoting excellent quality manpower in the fields of engineering, technology and sciences with special emphasis on Current generation using renewable resources and related fields etc.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both PEC and NSIPL hereby acknowledge, PEC and NSIPL hereby agree to sign a memorandum of understanding (MOU).

ARTICLE-I: SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between PEC and NSIPL for enhancing, within the country, the availability of highly qualified manpower in the areas of Current generation using renewable resources without any prejudice to prevailing rules and regulations in PEC and NSIPL without any disregard to any mechanism evolved and approved by the competent authorities applies to PEC and NSIPL. The areas of cooperation can be extended through mutual consent.

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both PEC and NSIPL shall encourage interactions between the Engineers, Scientists, Research fellows, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personnel through deputation as per the rules of the respective institute, for limited periods as mutually agreed upon;
- b) Organization of joint conferences and seminars;
- c) Practical training of PEC students at NSIPL;
- d) NSIPL would accommodate B.E. students who have completed the 6th semester of their Programme in such a number that NSIPL deems convenient to it for the purpose of imparting industrial training.
- e) NSIPL may depute its personnel as visiting faculty at PEC to teach any of the regular Course or specialized topics..

- f) **NSIPL** may seek assistance/guidance of PEC faculty member/s in product/process modification, modernization, trouble shooting, etc.
- g) Would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.
- h) **NSIPL** may showcase its business activities at the seminar/workshop/conference, etc. at PEC.
- i) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.
- j) **NSIPL** may avail library, Internet, computational facilities at PEC.i)

ARTICLE-III : SHARING OF FACILITIES

- a) PEC and **NSIPL** shall make provisions to share their respective important R&D facilities in order to promote academic and research interaction in the areas of cooperation.
- b) PEC and **NSIPL** shall permit the sharing software and other materials and components developed in-house in the areas of cooperation, if permissible within the rules governing the two institutions. However, responsibility for safety of software and other materials during the exchange will rest on respective Head of academic department/section.
- c) PEC and **NSIPL** shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective institutes.

ARTICLE-IV: CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENTS

- a) The collaborative Programme between PEC and **NSIPL** shall be coordinated by a coordination committee appointed by Directors of both the Institutes.
- b) Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.

ARTICLE-V : EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU shall be effective from the date of its approval by competent authorities at both ends.

Letter of Appreciation

Dear Bommisetty Panchala Jagadish,

We just wanted to take a moment to express my appreciation for the wonderful job that you are doing here at NSIPL.

In your role as PV Testing Technician, you've demonstrated your ability to add value to everything that we are doing with your dedication, creativity and resourcefulness. Thanks to your hard work, we've been able to do a better job serving our customers and keeping up with the demands of the business.

Your contributions to the team are a reflection of your priorities as an individual and the importance that you place on doing a good job. You should know that we whole heartedly appreciate and thank you for everything that you have done in your role up to this point, and we look forward to seeing what you will accomplish here at NSIPL in the future.

Best wishes,

[Mr.K.Kamalanathan]

Jayanandan**, M/S Tesla Minds Chennai, Chennai 600 017 of the first part

And

Prathyusha Engineering College, Poonamalle – Tiruvallur Road, Aranyoalkuppam, Tiruvallur-602 025, Tamil Nadu, India (Hereafter referred to as "**Prathyusha Engineering College**") which expression shall, unless repugnant to the context, include its successors and assigns, and at present represented by its Principal Dr.P.L.N.Ramesh of the second part.

"Prathyusha Engineering College", Poonamalle – Tiruvallur Road, Aranyoalkuppam, Tiruvallur-602 025, Tamil Nadu, India and "Tesla Minds", Tesla Minds, No.7/3, Second Floor, T. Nagar, Chennai 600 017, are hereinafter individually referred to as "**Party**" and Collectively as "**Parties**"

1. The Two organization recognize that:

"**Tesla Minds**" is engaged in providing quality training in Telecom and Antenna sector for its In-Service staff all over the country. In addition to that, "**Tesla Minds**" is imparting training to others which include students of Engineering, Arts and Science Colleges/Universities, officials/officers of State/Central Government establishments, PSU executives/Non Executives etc.

"**Prathyusha Engineering College**" engaged in imparting quality education and training through qualified, experienced and committed members of the faculty. To

tm

promote engineering education with quality technical knowledge to all the students hailing from not only in and around Chennai, but from various districts in Tamil Nadu and from neighboring states also.

Both Parties now desire to pool together their expertise and experience in the area of Telecom and Antenna Technology, the most popular area in communication today, in order to produce expert telecom engineers to the country in this strategically important and expanding area.

Now with this MOU Between "Prathyusha Engineering College" and "Tesla Minds", the first party and "Tesla Minds" agree to conduct specialized certificate courses on Telecommunication and Antenna and other Technological, Management, & Soft Skill courses to the students and Faculty members of the "Prathyusha Engineering College" and students enrolled for the Value Added Courses by "Prathyusha Engineering College". The course content, schedule and cost of the programme will be mutually decided by "Tesla Minds" and "Prathyusha Engineering College" and at least any one of 2 Courses will be conducted in a year.

2. "Prathyusha Engineering College" and "Tesla Minds" also agree to carry out the following on mutually acceptable terms and Conditions:

- Exchange of Faculty Expertise between "Prathyusha Engineering College" and "Tesla Minds" on need basis. The Commercial terms and conditions for providing such services will be given by one party to the other and the same will be discussed and decided by mutual consent off both the parties before implementation.
- Providing Consultancy work to the Department/Institution Faculties and Joint filling of Patents as part of the R&D efforts by Tesla Minds.
- Providing InPlant/Lab Training, work spot visits to the students of "Prathyusha Engineering College", wherever possible, without hampering the security interests of "Tesla Minds". The commercial terms and conditions for

tm

- Providing such services will be given by "Tesla Minds" to "Prathyusha Engineering College" is stated below and also the same will be discussed and decided by mutual consent of both the parties before implementation.
 - Participation by the faculty of Parties in other specified programs such as Seminars, Workshops, and Projects etc, may be decided from time to time by competent authorities of the said parties. The commercial terms and conditions for providing such services will be given by one party to the other and the same will be discussed and decided by mutual consent of both the parties before implementation.
3. The Students have to make, their own arrangement for boarding, Lodging and Transportation. However "Tesla Minds" will provide Boarding, Loading facilities on cost basis subject to the availability of rooms.
 4. Both the parties can include their name in advertisement with prior written approval/permission from each party.
 5. No placement or Placement Assistance will be provided by "Tesla Minds" to the participants of the Training Conducted by "Tesla Minds"

6. Validity

This agreement will be in effective initially for a period of three years from the date of signing of this MoU by both the parties. Either party may terminate the agreement by written letter signed by the appropriate official of the Institution initiating the notice. Such notice must be received by the other party three months prior to the effective termination date. However, obligations and commitments already contracted for and involving their parties shall be honored and continued by both the parties until such commitments are completed.

tm

7. Settlements of Dispute and Arbitration:

Any dispute or difference arising out of this MOU shall in first instance be amicably be settled/resolved between "Prathyusha Engineering College" and "Tesla Minds" Chennai within 30 Days of reference of dispute.

Any such dispute that could not be settled by mutual discussion as above within 30 days after the receipt of a notice from either party raising the dispute to the other, shall be finally be settled by an arbitration by appointing a Sole Arbitrator within 30 Days jointly by Tesla Minds and "Prathyusha Engineering College". In case of failure of the parties to agree on a sole Arbitrator within 30 Days of either party notifying the other parties of its intention to invoke arbitration, each party shall nominate arbitration and two arbitrators so nominated shall appoint Third Arbitrator, The Arbitration and Conciliation Act 1996 shall govern arbitration. The Arbitration shall give reasoned award, which shall be final and binding. The courts of Chennai shall have the exclusive jurisdictions in all matters under these presents.

TECHINICAL CONSULTANT AGREEMENT

Background:

- A. The Client is of the opinion that the Contractor has the necessary qualifications, experience and abilities to provide services to the client.
- B. The Contractor is agreeable to providing such services to the Client on the terms and conditions set in this Agreement.

IN CONSIDERATION OF the matters described above and of the mutual benefits and obligations set forth in this Agreement, the receipt and sufficiency of which considerations is hereby acknowledged, the Client and the Contractor (Individually the "Party" and collectively the "Parties" to this Agreement) agree as follows:

Services Provided:

1. The Client hereby agrees to engage the Contractor to provide the Client with technical consulting services (the "Services") consisting of:
 - ∞ **Design of CMOS on chip integrated antenna for wireless communication.**

Parameters	Specifications
Frequency Range	60 GHz
Inductor	50uH
Current Rating	25 Amps
Connector Type	N- Type

2. The Services will also include any other tasks which the Parties may agree on. The Contractor hereby agrees to provide such Services to the Client.

4th Floor, Vision Tech Park, Temple Tower Anna Salai, Cher

Term of Agreement

3. The term of this Agreement ("The Term") will begin on the date of this Agreement and will remain in full force and effect until the completion of services, i.e **Six Months from the date of Signing of the Agreement**, subject to earlier termination as provided in the Agreement. The Term of this Agreement may be extended with the written consent of the Parties.
4. In the event that either Party breaches a material provision under this Agreement the non- defaulting Party may terminate this agreement and require the defaulting Party to indemnify the non-defaulting Party against all reasonable damages.

Performances

5. The Parties agree to do everything necessary to ensure that the terms of this agreement take effect.

Currency

6. Except as otherwise provided in this Agreement, all monetary amounts referred to in this Agreement are in INR (Indian Rupees).

Compensation:

7. For the Services rendered by the Contractor as required by this Agreement, the Client will provide compensation (the "Compensation") to the Contractor of **Rs.10,000** during the duration of the Services specified in the Agreement.
8. Invoices Submitted by the Contractor to the Client are due within 30 Days of Receipt.

Reimbursement of Expenses

9. The Contractor will be reimbursed from time to time for reasonable and necessary expenses incurred by the Contractor in connection with the providing the Services under this agreement.

10. All the Expenses must be pre-approved by the Client.

Confidentiality:

11. Confidential information (the "Confidential Information") refers to any data or information relating to the Client, whether business or personal, which would reasonably be considered to be private or proprietary to the Client and that is not generally known and where the release of that Confidential Information could reasonably be expected to cause harm to the Client.
12. The Contractor agrees that they will not disclose, divulge, reveal, report or use, for any purpose any confidential Information which the Contractor has obtained, except as authorized by the Client or as required by the Law. The obligations of the confidentiality will apply during the term of this Agreement and will end on the termination of this agreement.
13. All written and Oral Information and material disclosed or provided by the Client to the Contractor under this Agreement is Confidential Information regardless of whether it was provided before or after the date of this Agreement.

Owner of Intellectual Property

14. All Intellectual Property and Related material, including any trade secrets, moral rights, goodwill, relevant registrations or applications for registration and rights in any patent, copyright, trademark, trade dress, industrial design and trade name (the "Intellectual Property") that is developed or produced under this Agreement, is a "work made for hire" and will be the sole property of the Client. The use of the Intellectual Property by the Client will not be restricted in any manner.

tm

Tesla minds

add wings to your ideas

15. The Contractor may not use the Intellectual Property for any purpose other than that contracted for in this Agreement with the written consent of the Client. The Contractor will be responsible for any and all damages resulting from the unauthorized use of the Intellectual Property.

Notice

16. All Notices, requests, demands or other communications required or permitted by the terms of this Agreement will be given in writing and delivered to the Parties of this Agreement as Follows:

context in which it is used, includes its successors, affiliates, assigns and administrators).

2) Purpose of the agreement:

Ministry of New and Renewable Energy (MNRE) under the Government of India has entrusted upon the first party, the task of establishing AMS (Advance Measurement Station) stations in various parts of the Country.

These Stations will collect data (Annexure 1) in automatic mode and send it to the Central Receiving Station (CRS) at NIWE (National Institute of Wind Energy), Chennai via GPRS mode of communication. The information and the data collected by AMS (Advance Measurement Station) stations are confidential information, property of NIWE.

These data-bases will be available to various stakeholders on terms and conditions finalized by NIWE (National Institute of Wind Energy) in consultation with Ministry of New and Renewable Energy (MNRE) in this regard. NIWE has decided to install one AMS station in the premises of the second party and the second party has accepted the proposal on the terms and conditions set forth in the MOU dated 12/08/15. The parties have also signed such MOU (Memorandum of Understanding) which to be treated as part and parcel of this NDA.

3. Confidential Information

Confidential information shall mean all information including "Data" regarding the project / purpose, which is made available to "second party", or is acquired / learned by "second party", in the course of the Project including the "Data" that is available/made available to "second party", in the course of the project. "second party", shall not disclose any information received from the NIWE or otherwise learned / acquired / acquainted from the "Purpose", including

information pertaining to the Project, "Supply, Installation and commissioning of Advanced Measurement Stations" and shall also not disclose any such information whether marked as confidential or not, and whether received orally, or by E-mail, or through web login, or by writing or by any other format whatsoever, strictly confidential and shall not disclose such information to any third party or make available or give access to such information to any third party. "second party" will not: (i) distribute or disclose to any other person any of the Confidential Information; (ii) permit any other person to have access to the Confidential Information; (iii) use the Confidential Information for any purpose other than the Permitted Use; or (iv) make multiple copies of the Confidential Information beyond what is immediately required under the Permitted Use within the purview of the MOU; or (v) disclose to any other person.

"Data":

The "second party", in the process of "Purpose" will have access to all the Following:

List of instruments at Advanced Measurement Stations.

Sl. No	Instrument	Parameter
1	Direct Beam filter spectrometer (Sun Photometer)	Direct solar spectral irradiance at discrete (10) wave lengths.
2	Albedometer	Solar albedo (of earth surface).
3	Pyrgometer	Incoming long wave radiation.
4	Scatterometer	Measurement of atmospheric visibility.
5	Silicon Pyranometer (2nos.)	Measurement of Global Solar Radiation on horizontal and inclined surface.
6	Data logger compatible with Direct Beam Filter Spectrometer.	For collecting, averaging and transferring data to CRS at CWET, Chennai.
7	GPRS modem/GPRS antenna	For data communication between field station & CRS.
8	Energy meter	To measure the active energy of the solar panels

Data / information / confidential information, shall mean and include all of the above factors / parameters on real time / either being consolidated or compiled and such other information either technical or factual relating to the "purpose" of all the sites.

"Data" shall also mean and include all other information that is made available in the hardware, Server and the Data Loggers.

4. Rights and obligations of the parties

"second party", shall keep all Information accessed / received from NIWE data server in whatever form strictly confidential and shall not disclose it to third parties, without the prior written permission of the NIWE.

4.1 The foregoing obligations shall not apply to any Information which

- (a) is in the public domain at the time of disclosure,
- (b) is ordered by a competent court or public authority to be disclosed.
- (c) was known to the "second party", prior to disclosure by the NIWE
- (d) is disclosed to "second party", by a third party with due right thereto.

4.2 Both parties retain their rights to their respective Information. No license to a party hereto, under any trademark, patent, copyright or any other intellectual property right, is either granted or implied by the conveying of Information to such party. None of the Information which may be disclosed or exchanged by the parties shall constitute any representation, warranty, assurance, guarantee or other inducement by either party to the other of any kind, and, in particular, with respect to the non-infringement of trademarks, patents, copyrights or any other intellectual property rights, or other rights of third parties.

- 4.3 All material embodying Information or relevant or related thereto, including, without limitation, scrap papers, or computer input or output, and including all copies of any kind shall be returned or destroyed upon written request of NIWE.

5 Term and validity

- 5.1 This Agreement shall be effective as of the date of the latest signature by the parties.
- 5.2 This Agreement is valid until it is revoked by NIWE. "Second party", hereby agrees to not to disclose the confidential information to any third party till such information retains the status of confidentiality or is available in the public domain. "Second party", shall safeguard such information within itself till such time and this agreement shall be valid till then.
- 5.3 This agreement is valid even after the expiry / termination of the MOU dated — 12/08/15 entered between the parties.
- 5.4 Modifications to this Agreement are valid only if made in writing and accepted by both parties.

6 Remedies

"Second party", shall take all precautionary measures to ensure that the confidential information is not shared to any third party. In case, if such confidential information is known to any third party through "second party", either such disclosure being voluntary or by negligence the same shall be remedied forthwith. In addition to such remedy "second party", shall compensate NIWE twice to the quantum of damage.

The quantum of damage shall be the total amount spent by NIWE on the entire project / Purpose.

2019 – 2020
Internship – EEE - National Institute of Wind Energy

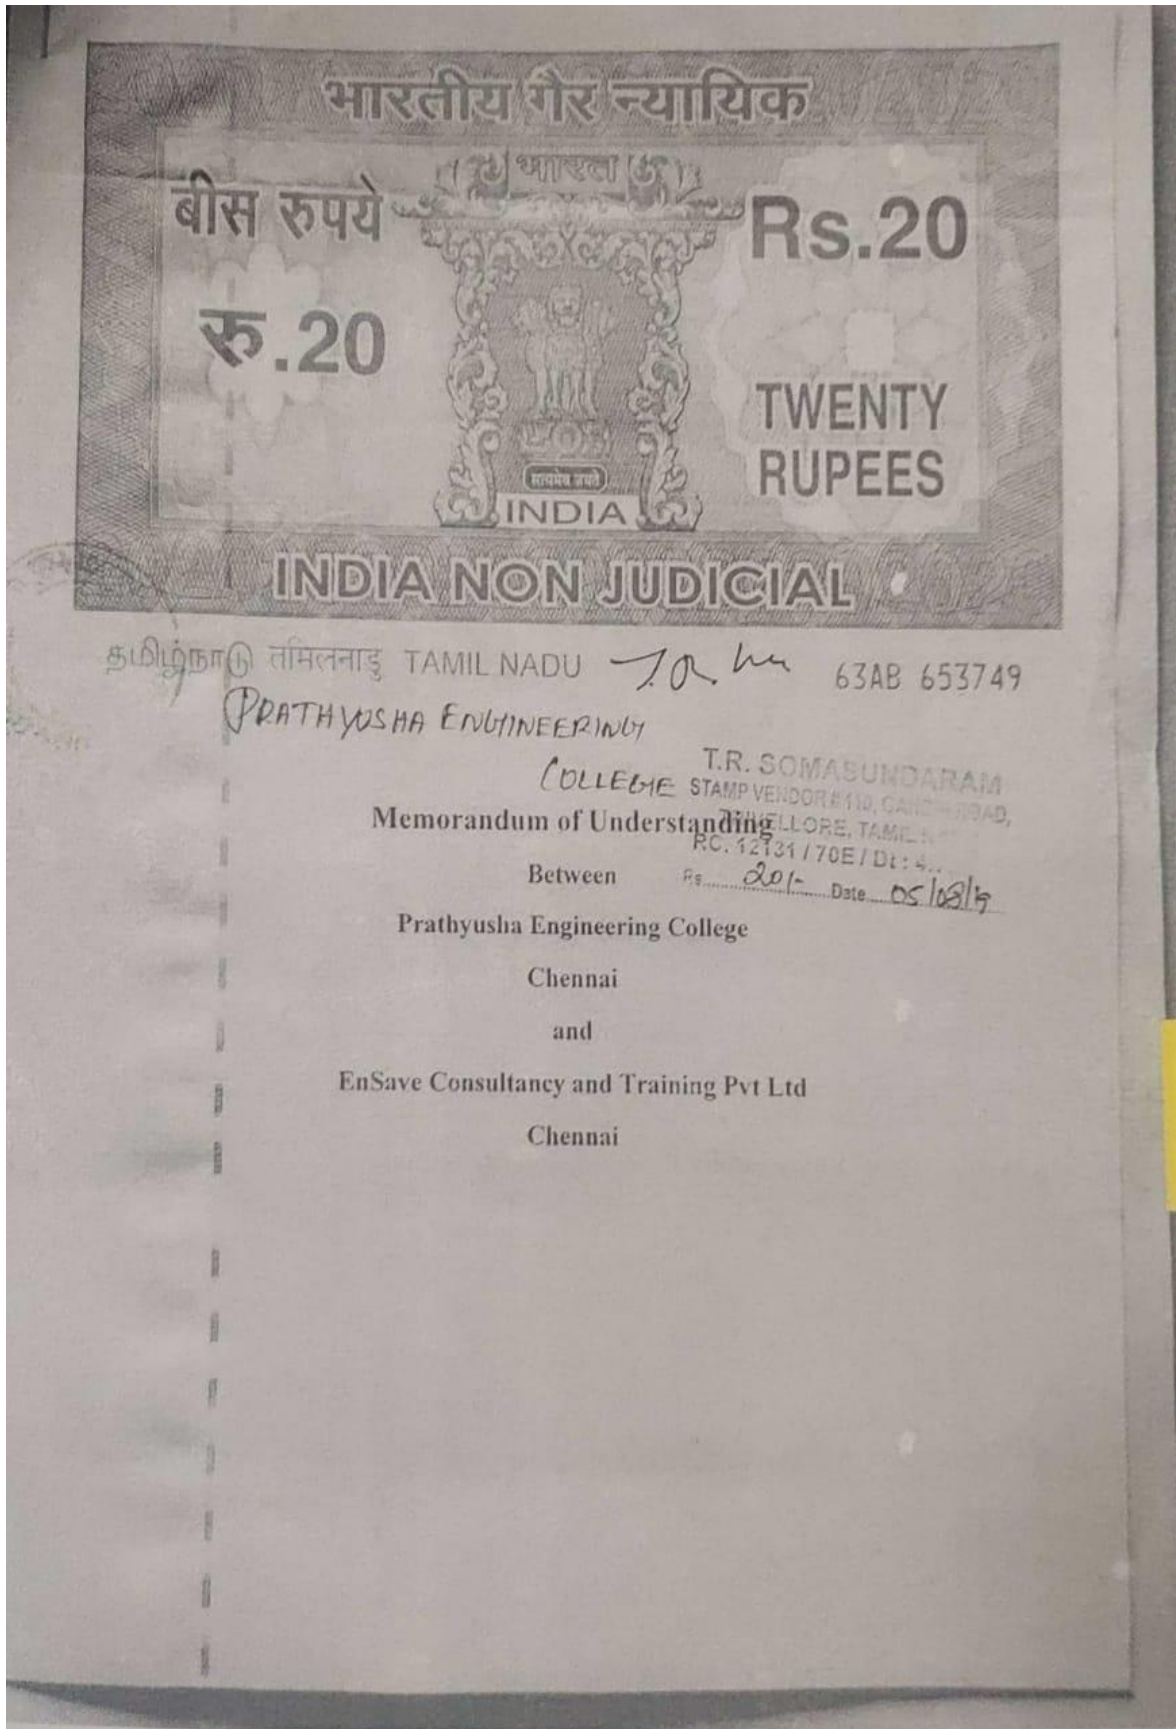

AGREEMENT – [NIWE-AAP]

This Internship agreement is between D. Senthil Kumar ("intern"), and NATIONAL INSTITUTE OF WIND ENERGY (hereafter called as NIWE). The purpose of this internship is for the Intern to learn about the functionalities at the NIWE and gain experience and insight about the working.

The term of the Internship starts on 6-8-19 and ends on 28-8-19. No stipend will be paid to the Intern.

Conditions of the Agreement:

- The Internship may be terminated by NIWE for sufficient reasons.
 - The Internship is for learning and training purpose only and it doesn't promise or guarantee permanent employment with NIWE.
 - The Intern does not replace or displace any employee of NIWE.
 - The learning during the training is for express benefit of the Intern.
 - The Intern will be supervised and guided for better learning.
 - NIWE does not stand liable for any injury or health condition that may arise during the course of Internship.
- I, D. Senthil Kumar (Name of the "Intern"), acknowledge that I have been given an opportunity to experience the professional world. I have understood the scope of work that will be covered in the internship and I am confident that I can meet and shoulder the responsibilities that have been described in a professional manner within the time limits. I also acknowledge that the purpose of this Internship is for academic and Education. My performance will be evaluated on the criteria of Internship.
- My ability to deliver performance depends on ability to report on time, ability to achieve the targets within the deadlines, ability to be a proactive learner, ability to interact with supervisor and co-workers to learn better.
 - My ability to learn different things during the course of Internship, as indicated by my caliber to fulfil the scope of my work, to develop new skills etc.:
 - Evaluation done by my supervisor.
 - A formal written report that has to be submitted the last day of finishing the Internship, describing my learning experience in the Internship.

PREAMBLE:

This is a service level agreement between the two parties for the welfare of the students studying in the Departments of Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, Computer Science and Information Technology and also for our Faculty Members of Prathyusha Engineering College

VALIDITY / DURATION OF THIS MoU

This Memorandum of Understanding is valid for three years from the date of its signing and thereafter is to be renewed once in 12 months with new amendments if any, mutually agreed upon by both the parties.

PURPOSE OF THIS MoU:

This MOU is a document between both the parties to work together for the welfare of students without any financial commitment on either side as mentioned below:-

1. EnSave Consultancy can make use of the laboratory and library facilities of Prathyusha Engineering College, Chennai for their R&D and testing works, on mutual consultation.

2. EnSave Consultancy can send their staff as delegates to attend Conferences/Seminars/Symposia etc., including Video Conferences conducted by Prathyusha Engineering College, Chennai at free of registration fee.
3. EnSave Consultancy can assign projects, relevant to their industry, suitable to the final year B.E. and M.E to carry out the same in the Industry / Institution as part of the academic requirements of the students, on mutual consultation and guide the students as project guides / co-guides. Monthly Progress Reports of these Projects will be submitted independently by the corresponding project coordinator to the Chairman / Director.
4. EnSave Consultancy can request Prathyusha Engineering College, Chennai to impart training, including induction and orientation training to the newly recruited Engineers / Technical Staff of EnSave Consultancy to update them with the latest techniques, on mutual consultation without any financial commitment to Prathyusha Engineering College, Chennai.
5. Prathyusha Engineering College, Chennai can request to EnSave Consultancy, permit the students and staff of the college to visit the industry of EnSave Consultancy to undergo practical training for short periods, on mutual consultation, for the growth of students.
6. Prathyusha Engineering College, Chennai can request EnSave Consultancy to send resource persons to give special lectures for the benefit of the students and faculty on mutual consultation depending on their availability and vice-versa without any financial commitments.
7. Prathyusha Engineering College, Chennai and EnSave Consultancy can submit the joint R&D Project proposals to funding agencies and execute the funded projects.

TERMS AND CONDITIONS:

1. This agreement will act only as an authorization and in no way to be used for profitable business or financial commitment between the two parties.
2. This agreement is to the Departments of EEE, ECE, MECHANICAL, CSE and IT of Prathyusha Engineering College, if agreed upon, by both the parties.

3. EnSave Consultancy cannot run profitable private business inside / outside the campus of Prathyusha Engineering College, Chennai and cannot influence the students professionally or otherwise.
4. Prathyusha Engineering College, Chennai cannot influence the operations of EnSave Consultancy apart from the purpose of this MoU.
5. Since there is no financial commitment agreed between the parties, no payments or defamation claims can be made by either of the parties, on closure or termination of this purely gentlemen's agreement except consultancy works and Training Programmes.

DOCUMENTS LIABILITY LIMITATIONS:

This document is valid up to the date stated above and within the District limits only. Any of the parties may use this document as a proof of association for the above stated limited purposes.

PROMISE / COMMITMENT DECLARATION:

EnSave Consultancy, CHENNAI

I have read and understood the complete document. I hereby agree upon the terms and conditions stated in this document and promise to always abide by this, till the validity of the document. I also understand that the agreement leads to cancellation on violation of any of the above stated conditions. I accept all the further discussions as stated.

Signature with Date:

Memorandum of Understanding

This Memorandum of Understanding is signed between Prathyusha Institute of Technology and Management (PITAM), Chennai and M/S Harita Techserv Ltd, Chennai on 22nd March, 2014. This MoU will be subject to the successful setting up of the PITAM-Harita Research Center. This MoU is valid for a period of **Three Years** from the date of signing.

- Under this MOU, PITAM, Chennai has set up the Research Center, Phase 1 with the required infrastructure, workstations and the recommended software to enable the faculty members and student researchers to learn and conduct research on the latest technologies.
- Harita Techserv Ltd has installed the required software, and certify the satisfactory performance of the required software and hardware.
- PITAM, Chennai shall nominate upto 5 research faculty members to be trained on the required software and tools. Harita Training Experts will intensively train and certify the research faculty on the respective software and tools.
- Harita Techserv would provide some example drawings/structures for the students to learn and grow. Harita would also provide domain specific and role specific content to enrich the learning experience of the students.
- Harita Techserv would take students in 7th and 8th semester for a one month working internship at our Offshore Centers. These will not be paid internship but more of a knowledge and exposure giving exercise.
- Harita would conduct contest for Engineers on Design on relevant topics from time to time.

-2-

- Harita Identified Experts will periodically visit and mentor, monitor the faculty member's research design, skill development, engineering research activities, performances. They will also evaluate the student researcher's learning progression and give additional inputs if required.
- Harita would conduct "Campus Placement Drive" for recruiting "Trainee Engineers" from amongst the student researchers. All standard-recruiting procedures would be strictly followed. Recruited Trainee Engineers would be deputed into Harita's Offshore Development Centers.
- Harita, where and when possible, will bring in live projects, products, design and research activities to be executed by the research faculty and student researchers.
- Harita would certify and grade Research Centers on the basis of year-on-year performance. Research centers demonstrating successful research capability would be considered for outsourcing design, developmental research activities on payment basis. A separate NDA will have to be signed for such outsourced activities. Harita will initiate discussion for expanding to Phase 2 in the month of January 2015. PITAM and HARITA shall mutually agree on the areas of expansion for Phase 2 viz., in analysis, Reverse Engineering etc. PITAM will make the investment based on mutual discussion and agreement with Harita.
- Upon requests from PITAM, Harita may depute technical experts in specific domains to give technical seminars; research and also address specific case studies with student researchers.
