Note: The quoted tuition fees are estimates based on a standard full-time study load and are subject to change. Your tuition fees will increase annually throughout the duration of your course. Any variation to the course deposit fee and the tuition fee per term/study period will need to be paid in full by census date of your first term.

This offer is subject to the conditions and requirements (if any) listed below. Please note that the conditions outlined in this Letter of Offer must be met prior to issuance of your Confirmation of Enrolment (COE) unless the condition relates to a course being undertaken through CQUniversity or an approved packaged partner.

- This offer is conditional on the outcome of a financial assessment which will take place following acceptance of your offer, and prior to payment of fees and the issuance of a Confirmation of Enrolment (COE).
- It is a condition of this offer that the attached Admissions Statement of Purpose is completed to support your intention to further your education in Australia. Please ensure your responses are in your own words and have addressed all

questions thoroughly.
- This offer is conditional on the outcome of a pre-departure interview which will take place following acceptance of your offer, and prior to payment of fees and the issuance of a Confirmation of Enrolment (COE).

Scholarship Information

Congratulations, your application for a CQUniversity Vice-Chancellor's Scholarship has been successful!

Subject to you remaining enrolled in full time study in the program listed on this Letter of Offer, maintaining a grade point average (GPA) minimum of 5.5 each term, the scholarship, which entitles you to a 20% reduction on your tuition charges (reflected in the estimated tuition fees included in this offer), will be renewed on a term by term basis for the duration of your program.

Please note that should your GPA fall below the required level, you do not pay all fees applicable to your studies or you fail to meet all other ongoing requirements of the Vice-Chancellor's Scholarship and your student visa, your scholarship will be withdrawn. If your offer of admission to CQUniversity lapses or you request a deferment of commencement term, the award of the Vice-Chancellor's Scholarship will also lapse and a new application will need to be submitted.

The Scholarship is calculated on a per term basis, is not redeemable for cash and it can be withdrawn with 10 days written notice should you breach any of the conditions of the Vice-Chancellor's Scholarship. Please note that there is no right of appeal should an applicant be unsuccessful in securing a Vice-Chancellor's Scholarship. If you are advised that CQUniversity is withdrawing this scholarship, you have 10 days to appeal the decision.

The Vice-Chancellor's Scholarship Terms and Conditions may be changed at any time and if this occurs the University will provide 12 weeks written notice to all current Scholarship recipients. For any queries relating to the terms and conditions of this scholarship, please contact the Student Success team at your campus.

Overseas Student Health Cover (OSHC)

If you are a applying to study as a student visa holder, the Australian Department of Immigration and Border Protection requires that you have Overseas Student Health Cover (OSHC) for the entire duration of your student visa. This means that the OSHC insurance must commence from approximately one month (4 weeks) prior to commencement of term and must be in effect until you leave Australia or move to a non-student visa subclass. CQUniversity's preferred OSHC provider is Allianz Global Assistance and you are provided with a Standard Policy. The OSHC amount included in your offer is estimated on your expected visa duration. You will be required to finalise payment of any variation to this amount when you arrive on campus to enrol. Please note: if you plan to arrive prior to the start of your OSHC cover, you must immediately contact your health insurance provider to request that the cover starts earlier. This may mean that there are additional costs. If you intend to study on another temporary resident visa subclass (not student visa), please ensure you have adequate health insurance that meets the conditions applicable to your visa. Policy details can be found at

https://oshcallianzassistance.com.au/policyDocument.aspx

Tuition Fees

Fees are determined by CQUniversity annually and are subject to change. The fees that are payable in future years will be those that have been approved for that calendar year and may be different to those listed in your offer letter. Your offer letter lists the indicative annual fee (for two academic terms) and the deposit fee payable when you accept your offer. Commencing students who enrol from 2017 will be charged the relevant tuition fees as per the approved schedule for that year, and fees may increase each year. Units from a different discipline area will attract tuition fees at the applicable rate: this may increase/decrease your annual tuition fees. ** Please note that the fees mentioned in the acceptance table are the minimum standard deposit payable and are an indicative figure that is required to obtain the Confirmation of Enrolment (COE). Students will still need to meet the Genuine Temporary Entrant (GTE) criterion which includes the Financial Assessment prior to finalisation of Acceptance of Offer.

Credit Assessment Disclaimer

To gain an estimate of the credit you may be eligible to receive towards a CQUniversity qualification, please use the credit calculator found at

http://mycredit.cqu.edu.au

Please note that the credit calculator is a guide only. Additionally, any credit assessment advised in this offer is a provisional assessment only. The number of credits awarded are subject to change as they may vary due to course structure and course changes, successful completion and various other external factors. All credits will be re-assessed at the point of enrolment in the student's first term of study. For more information on timelines and the CQUniversity Credit Policy, Principles and Procedures please visit

http://cqu.edu.au/credittransfer

Pre-screening

All offers of a place at CQUniversity may be subject to screening to determine if the Department of Immigration and Border Protection's Genuine Temporary Entrant (GTE) and Genuine Student (GS) criterion are satisfied prior to the issuance of a Confirmation of Enrolment (for students applying for a Student Visa). Personal information relating to applications to undertake study with CQUniversity may be provided to the Department of Immigration and Border Protection. Further information on the GTE and GS criterion can be located on the Department of Immigration and Border Protection (DIBP) website at:

As a Professor, I have been closely associated with Mr. KandalaHarshaVardhan Reddyin laboratory sessions and classes, for three years. I have taught him subjectsMicrocontrollers and Microprocessors.His performance in all these subjects has been excellent. Specially he is having excellent practical skills, and scored highest marks in laboratory examinations.

He has displayed an exceptional understanding of the fundamentals of the subjects he has studied and has shown profound interest in them. His hard work and diligence coupled with his sincere dedication has enabled him to maintain an excellent academic record.

Apart from his exemplary performance in theory, he also shown the interest towards software named LabVIEW and become the only student to get the internship in National Instruments, India.

I have known him to be an amicable person with excellent communication skills. He has high potential for graduate study. His sound academic background, ability to think independently and his practicability in tackling innovative problems make him ideal research
