<<BCC Intentional : Student Ambassadors and College SPoCs>>

Dear Ambassadors,

Greetings!

You have been nominated by your college SPoC for the role of **Campus Connect Student Ambassador**. Congratulations to you!

## Responsibilities:

- *Interact with College SPoC and Infosys DC (Development Center) SPoC to bring the programs/events which are suitable for students so as to clear the Infosys certification.*
- *Track how many of your friends are registered in INFYTQ platform and their learning process (you can get support from your College SPoC)*
- *Resolve the issues faced by the students while working with INFYTQ platform. Either you can resolve it or you can get the solution from College SPoC/DC SPoC*
- *Forward the weekly mailer (we will sent it to you) and other communication mailers of Campus Connect (if asked) to all the students / representatives*
- *Planning and scheduling webinars or any other events with the support of your college SPoC.*

## What's is not:

- *You are not responsible to answer any recruitment related questions as Campus Connect focusses only on training.*
- *You are not responsible for non-completion of training of any students in INFYTQ platform.*
- *You will not be given any special login or access to INFYTQ platform.*

## Meetup:

- *We will schedule monthly meetup to discuss about the various activities (optional to join)*

- *We have scheduled our first meetup on 25<sup>th</sup> July 2020 5:00 PM to kick start activities for this year. Whenever you are joining for this meeting, mention your college name in first name text box and your name in the last name text box while registration. PFB the meeting information.*

Respected Sir,  
INFOSYS CC students ambassador meet was conducted on 25/7/20, 5.00pm by Mr. Roy ( for all college ambassadors)

MS. SaiPooja(3 CSE) & Mr. Agash murthy(2 IT) have attended the meeting

The following Points were discussed:

1. INFYTQ modules are going to be conducted for students
- 2 10 students ( 5 each from 2&3years)  
These students must be able to train the other students in college.
3. From 3rd Aug, Monday and Wednesday, 5-6/6-8/7-8(to be decided)

\*\* Both ambassadors are also to be included in the list.

\*\* The students must be able to complete the modules of INFYTQ as per the guidelines provided and to be able to form groups to train further II & III year students.

The format for mentors recommendations is attached herewith for your kind perusal.

Thanks & Regards,

<<BCC Intentional : To College SPoCs those who nominated Ambassadors>>

Dear Professors,

Greetings!

As you aware we organized the first meetup with all the student ambassador's last Saturday. It was an wonderful experience for all of us. We discussed mostly on Infosys Certification and how we can assist them in clearing the infosys certification. PFB the MoM of that meeting.

- *Decided to have an 5 one hour webinar based training sessions focusing only on the first course module i.e. "Programming Fundamentals using Python" as a pilot program*
- *This training session starts from next Monday 3<sup>rd</sup> Aug*
- *Every week only on Monday and Wednesday from 6:00 PM to 7:00 PM these session will be conducted*
- *Decided no of nominations per college is 10 [5 students from 2<sup>nd</sup> Year and 5 students from 3<sup>rd</sup> Year including ambassadors]. Please use the help of ambassadors while selecting 10 students for this training program.*
- *Nominations can be from any department but those students should have the grit to clear the certification.*
- *No e-certificates will be issued for this training program.*
- *After the training program, the participants should form 2 to 3 groups and each group can guide 5 to 15 other students of their college. If needed, they can get support from the College SPoC, Faculty members who attended the Infosys training program and Infosys SPoC*
- *We will send invitations for the training program today EoD*

Thanks & Regards,  
Roy
