CRITERIA 5

STUDENT SUPPORT & PROGRESSION

5.1 STUDENT SUPPORT

5.1.3 Communication Language Lab

Language Lab

The Department of English utilizes Language Laboratory to offer effective training for students in Group Discussion, Interview Skills, Grammar Skills, and other soft skills. The lab contains 35 computers with head phones for enhancing the listening skills of our students. Various language enhancement activities are organized during the lab hours to strengthen the language capabilities of students who hail from rural background and students pursued their education in regional medium. Mock interviews are conducted for building their confidence to speak well during interviews and other activities like verbal training and presentation skills are also conducted. Further, the language lab is also used to test the skills on grammar through various online exercises.

BRIDGE COURSE

The aim of the bridge course was to develop a positive attitude among students and to help them enhance their written and communication skills. The Bridge course was organized in college for all students every year in order to facilitate and improve their employability skills.

The course consisted of the following modules :

- Essence of Communication.
- Listening Skills.
- Overcoming stage fear.
- Mind mapping.
- Presentation Skills.

The ability to use language correctly for purpose of communication be it written or spoken helps develop a positive attitude in every individual. As an attempt to hone the communication skills of our students various soft skill and personality development programmes are conducted. **PLAY WITH ENGLISH** activity was conducted from **09.07.2020 to 20.07.2020**. To master the art of communication the following modules were implemented:

- Listening, summarizing, in-depth questioning
- Giving and receiving feedback
- Intercultural communication
- Non-verbal communication - Body Language and Non-verbal Cues
- Using Your Strengths
- Building Confidence
- Communicating Harmoniously
- Practicing Effective Communication

The sessions included both theoretical sharing and practical sessions. The following are the ten days topics and feedback from the students for all the days.
