18-19 Nov'16 Workshop on Synthesis and Application of Smart Material

ELIGIBILITY:

Faculty members of Engineering Colleges and Polytechnic Institutions.

REGISTRATION DETAILS:

Registration Fee Rs.300/- per participant to be paid.

Free lunch, tea and bus facilities will be provided to the participants. Participants are requested to fill in the registration form enclosed and post it to the Convenor on or before **12th November 2016**.

Registration restricted on the basis of first come first served to **20 members only**.

ADDITIONAL INFORMATION:

No TA/DA will be provided to the participants.

ADDRESS FOR COMMUNICATION:

Convenor
Department of Mechanical Engineering,
PRATHYUSHA ENGINEERING COLLEGE,
Poonamallee-Tiruvallur Road, Tiruvallur,
Tamilnadu – 602 025
Mail id: hod.mech@prathyusha.edu.in
Mob# 9840397361, 9710693408

ABOUT THE DEPARTMENT

The department imparts the basic knowledge in the areas of Mechanical Engineering including Hydraulics & Fluid Machinery, Thermal Engineering, Manufacturing Technology, Material Science, Design of Machine Elements, Computer Aided Manufacturing, Industrial Management, etc. The Department also have tie-up with TVS-Harita Techserv Pvt. Ltd., to train students in the area of Product Design and Digital Manufacturing. The Department organizes several training program, workshops, seminars, etc for staff and students every year.

Email: kalpanadevi.ece@prathyusha.edu.in
priya.ece@prathyusha.edu.in

Topics of the Programme

Day-1

- Introduction to Graphical system design
- Sub VIs , Loop structures , File operations
- Data acquisition, Analysis and implementation using Elvis II Hardware

Day-2

- Signal Processing Techniques
- Embedded System Design issues and challenges
- Introduction to NI Real Time Module
- & NI FPGA module related to research applications.
- Embedded Systems and Motion Control

Certified LAbVIEW Associate Developer (CLAD) preparation overview

Important Dates

Submission of filled in application:

OCTOBER 22nd 2016.

Intimation of Selection

Date of Workshop : 21.11.16 & 22.11.16
Registration amount : Rs. 500/-

About Speaker

Mr. I.Mohan, Sr. Assistant Professor, IT Dept, Prathyusha Engineering College is a Part time Research Scholar in the area of Data Analytics, at Anna University. He is a dynamic professional with over 8 years of experience in Learning & Teaching, in education sector. He is pursuing research in social Network Analysis using R Tool. He is a skilled and dynamic facilitator who ensures the reach to all participants through interactive sessions in all aspects. He has conducted technical training programmes for faculty and students on various occasions.

14 & 15 Nov 2016 Workshop on Dismandling & Assembling of Bicycle & Motor Cycle

7 to 9th Dec 2016 Workshop on Internet of Things

About Prathyusha Engineering College

Prathyusha Engineering College is 30km away from Chennai on Poonamallee-Tiruvallur Road at Aranvoyalkuppam, in spacious and peaceful surroundings of 45-acres of land. The college maintains high standards of education by engaging highly qualified and experienced faculty members. The college offers 7 UG courses in Engineering and 5 PG courses, affiliated to Anna University and approved by AICTE and accredited by NAAC & NBA. Our institution focuses on the overall development of the Students and Faculty Quality, through MOU with IBM, Oracle, Dell, TVS-HARITHA, NI-LAB VIEW, INFOSYS, CISCO, NIWE, etc. students are gaining practical exposure and insight on the Industry Standards.

About IoT

Internet of Things (IoT) is a fast growing field of connecting objects to the internet and also to each other - allowing people and objects themselves to monitor various sensor data and to analyze data from various sources in real-time and take necessary actions in an intelligent fashion. This workshop will provide an exposure to various sub-fields and technology stacks of IoT and give confidence to the learners to convert their IoT product idea into a working prototype providing thorough working knowledge of the Raspberry Pi platform.

Programme Schedule

Day 1 & 2 : (Hands-on session)

- Introduction of IoT
- IoT Devices
- Overview of FLIP Hardware devices
- Programming the FLIP Base Board.
- Arduino Programming
- Interfacing sensors to the FLIP Base Board and reading sensor data.
- FLIP Cloud & Communication devices
- Interfacing sensors, actuators &FLIP WiFi module
- Python programming
- Working with IFTTT
- Creating IoT web app

Day 3:

- IoT Applications
- Security & Challenges in IoT
- Research opportunities

Speakers

Practicing Experts in IoT design and development from **Frugal Labs, Polaris & TCS India Pvt.Ltd**

Who Can Attend

Academician from any Engineering Institution can participate in this National level IoT Workshop to equip the teaching community with the state of the art technology which will help them in guiding and doing quality projects and make the students Industry ready

22 to 28th of Nov'16 FDP on Human Computer and Interaction

ABOUT THE INSTITUTION

Prathyusha Engineering College is just 30km away from Chennai on Poonamallee-Tiruvallur Road in spacious and peaceful surroundings of 45-acres of Green lush land. Prathyusha has, within a short span of time, emerged as one of the premier professional institutions. The college maintains high standards of education by engaging highly qualified and experienced faculty members. The college offers 7 UG courses in Engineering and 4 PG courses, and 2 Research and Development centre affiliated to Anna University, approved by AICTE and accredited by NBA .and NAAC "A" Grade. PEC is well established with various Centers of Excellence and well stocked library containing Indian and International books and journals. College feels proud to produce more university rank holders.

ABOUT THE DEPARTMENT

Computer Science and Engineering department was established in the year 2001 with a vision to create a forum, where we can deliver contemporary education to the students to gain abundant Knowledge in the recent trends of Computer Science in order to make them has innovators and researchers. The department has qualified and committed faculty members with good infrastructure. The department has signed MOU with IBM, Oracle and Infosys and with their aid we organize workshops, seminars and guest lecturers regularly. The department is keen in promoting R & D activities and providing opportunities for the development of students as well as for faculties.

OBJECTIVE OF THE FDTP

- Design effective dialog for HCI.
- Design effective HCI for individuals and persons with disabilities.
- Assess the importance of user feedback.
- Explain the HCI implications for designing multimedia/ ecommerce/ e-learning Web sites.
- Develop meaningful user interface.

Participation in the programme will be helpful in teaching the subject **CS6008 - HUMAN COMPUTER INTERACTION for** the Eighth semester B.E. Computer Science and Engineering students

ABOUT REGISTRATION:

- Number of seats restricted to 25 only.
- No registration fees.
- No TA/DA will be provided
- Selection on first come first served basis.
- Selected Candidates will be intimated by e- mail

Send the scanned copy of duly filled in Registration forms to the Co-ordinator by e-mail to padmapriya.it@prathyusha.edu.in or hod.cse@prathyusha.edu.in on or before 17.11.2016.

Objective of the program

An in depth learning of python and practice hands on with the following Concepts:

- Introduction to Python
- Regular expressions
- String , List , Set
- Object Oriented Programming
- GUI – TkInter
- Dictionary , Functions,Modules
- XML Processing
- Multithreading
- Database Access

Applications of Python in IT Industry

Google: Most components of its search engine & spider are all based on python.

Yahoo: Maps and groups are based on python.

Zope Corporation & Ultraseek

Linux: Its weekly news is published using python's quixote framework.

IBM: It uses python to create the business practice logic for factory tool control applications.

Zeomega, Azoi , Disney , Nokia, etc ....

Tamilnadu

About PEC

Prathyusha Engineering College is one of the best Engineering colleges, around Chennai on the Poonamallee – Tiruvallur Road at Aranvoyalkuppam. This temple of knowledge provides an ideal atmosphere to pursue education without any external distraction.

PEC has, within a short span of time, emerged as one of the premier professional institutions in this region. The college maintains high standards of education by providing a wide array of world class academic facilities, employing highly qualified and experienced faculty members and creating an ambience conducive to quality education. Today, the college offers 7 UG courses (CSE, IT, ECE, EEE, Mech, Civil and BioTech), 4 PG programmes [ME (CSE), ME (SE), ME (PED), ME (CS)] and Research centre for CSE and ECE, affiliated to Anna University approved by AICTE and accredited by NACC and NBA.

Benefits of the Programme

Python is a powerful high-level, object-oriented programming language. It is free and open source. The Python workshop benefits the students and faculty from various colleges to have wide exposure in python. This programme gives intensive training on advanced concepts in python with hands on.
