Dear Dhasaradhan P:

Thank you for becoming a member of the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity.

Download and print your membership card at any time from your [Membership and Subscription History](#).

Some of the benefits included with your IEEE Membership include:

- [IEEE Spectrum](#) – our flagship publication, keeping you informed about major trends and developments in technology, engineering, and science.
- [IEEE Collaborate™](#) – an online community where technology professionals can network, collaborate, and create – all in one central hub. Join the IEEE Membership Forum community to learn about valuable membership benefits, resources and opportunities.
- [IEEE.tv](#) – the award-winning, internet-based television network with more than 2,500 programs.
- [memberNet](#) – an online membership directory that allows members to securely connect with other IEEE members worldwide.
- [myIEEE](#) – your personalized gateway to IEEE membership.
- [Career and job resources](#) – a wide range of learning, career enhancement, and employment opportunities.

View a full list of IEEE member benefits at www.ieee.org/benefits.

Attend a new member orientation to learn about the benefits and services available to you. Live webinars occur monthly. Register at www.ieee.org/start.

In addition to personal benefits, your membership helps support IEEE core purpose to foster technological innovation and excellence for the benefit of humanity. Specifically, this enables affordable student membership, funds university program accreditation, and helps introduce technology careers to young people around the world.

Please review the details of your order below. Retain a copy of this order confirmation for your records. To obtain a detailed receipt, visit www.ieee.org/go/receipt.

Sincerely,

Elyn Perez
Senior Manager, Member Market Development
IEEE Member and Geographic Activities

PRATHYUSHA INSTITUTE OF
TECHNOLOGY AND MANAGEMENT

(Accredited by NBA and Affiliated to Anna University)
ISO 9001:2008 Certified

ARANVOYALKUPPAM, POONAMALLEE-TIRUVALLUR ROAD,
TIRUVALLUR - 602025 , TAMIL NADU.

ABOUT THE INSTITUTION

Prathyusha Institute of Technology and Management, Chennai popularly known as PITAM is the brain child of the well known industrialist and philanthropist Shri. P. Raja Rao, the founder and Chairman of the Governing Board of the College. PITAM is a self-financed Telugu Minority Institution approved by AICTE, affiliated to Anna University, accredited by NBA and a recipient of ISO certification. The college offers 7 UG courses and 7 PG Courses. PITAM has well furnished ICT Class rooms, state of the art laboratories and modern seminar hall in each department. The Central Computing Lab on par with IT Industry standards has very unique facilities. The Central Library is well equipped with modern facilities and resources in the form of NPTEL connectivity, CD-ROMs, On-line databases, books, e-journals etc. Our institution has signed MOUs with various organizations like NIWE (formerly CWET), Infosys, IBM, TVS Haritha Techserv, etc. The National Institute of Wind Energy (NIWE), run by Ministry of New and Renewable Energy (MNRE), India has established a Solar Radiation and Resource Assessment (SRRA) station in our institution premises, and a unique Advanced Measurement Station (AMS) which has calibration lab for the calibration of all the precision instruments being used in the SRRA stations. These instruments generates more than 140 data pertinent to solar radiation, Weather etc.,

ABOUT THE DEPARTMENT

The Department of Electrical and Electronics Engineering was established in the year 2001 along with the inception of the college. It currently offers 4 year full- time Bachelor degree programme in EEE and Two year full-time Master degree programme in Power Electronics and Drives. In accordance with the intake sanctioned by AICTE, New Delhi, the department admits 120 and 18 students to U.G and P.G programmes every year respectively. It has 29 highly qualified and well experienced

Faculty. All the laboratories are equipped with adequate physical and human infrastructure. Latest software tools viz., MATLAB, PSCAD, ETAP, PSPICE, LABVIEW etc., are provided in the laboratories. Apart from these infrastructures Power Electronics Lab has been upgraded recently using the funds received from AICTE under MODROBS scheme. In association with NIWE, MNRE various research works are being carried out for the problems encountered in SRRA stations and in the field of Renewable Energy Sources.

PURPOSE OF THE SEMINAR

It is known that the entire world has to depend on the renewable energy sources mainly solar and wind energy for the energy needs of mankind in future as all the fossil fuels are fastly depleting and polluting the environment. Though the solar and wind energy are available in abundance, the amount of power produced from these sources is comparatively less. It is because of the initial investment required to establish these power plants and problems associated are too high. To overcome the challenges encountered in mass production of power from the renewable energy sources, all the possibilities to be explored by this seminar.

UNIQUE FEATURES OF THE EVENT

- Visit to SRRA, AMS and Calibration Lab.
- Resource persons are the experts from MNRE, National Institute of Wind Energy (NIWE) and other agencies.
- Exposure to new research avenues in the field of renewable energy based power generation.
- Provide an opportunity to the members of engineering faculty and research scholars and experts from the industries to discuss and analyze the ways and means to provide the cost effective solutions for the mass production of electricity from the renewable energy sources.

SEMINAR TOPICS

- Introduction to Renewable Energy Sources
- Design and Implementation of Solar and Wind Power Plants
- Problem Encountered in Solar and Wind Power Generation
- Recent Trends in Renewable Energy Source based Power Generating Stations

RESOURCE PERSONS

- Experts from MNRE, National Institute of Wind Energy (NIWE)

IMPORTANT DATES

- Last date for the receipt of applications: **25.04.2015**
- Intimation of selection : **27.04.2015**

BOARDING AND LODGING

- It will be provided in the college campus on request.

ELIGIBILITY

- Faculty, Research Scholars and PG students from Engineering institutions

PROGRAMME SCHEDULE

29.04.2015

Time	Topic	Particulars
08.45 a.m.	REGISTRATION	
INAUGURAL FUNCTION		
09.30 a.m.	Welcome Address	Dr.P.M.Beulah Devamalar, <i>Principal Prathyusha Institute of Technology and Management</i>
09.40 a.m.	Keynote Address	Dr. G. Giridhar, <i>Director/Head, Solar Radiation and Resource Assessment, National Institute of Wind Energy (NIWE), Chennai, MNRE, Govt. of India</i>
10.00 a.m.	Inaugural Address	Mr. G. Ravindranath, <i>Deputy General Manager (B&O), State Bank of India, Chennai, Zone I</i>
10.30 a.m.	Vote of Thanks	Dr.V.Thulasi bai, <i>Vice-Principal Prathyusha Institute of Technology and Management</i>
TEA BREAK		

TECHNICAL SESSION I		
11.00 a.m.	"Renewable Energy Potential in India"	Dr. G. Giridhar, <i>Director/Head, SRRA, NIWE, MNRE, Govt. of India</i>
11.30 a.m.	"Wind Power – Basics and Advancements"	Mr. J. Bastin, <i>Assistant Director (Technical) WRA, NIWE, MNRE, Govt. of India</i>
01.00 p.m.	<i>Integration with Participants</i>	
LUNCH – 01.30 p.m.		

TECHNICAL SESSION II		
02.30 p.m.	"Basic Feasibility Study & System Design for SPV Power Plant"	Mr. C. Thiruppathiraja, <i>Consultant, Iacharya Silicon Limited, Chennai</i>
03.30 p.m.	"Solar Radiation Resources Assessment in India"	Dr. K. C. Jayasankar, <i>Associate Professor in EEE Dept., Prathyusha Institute of Technology and Management.</i>
04.30 p.m.	VALEDICTORY SESSION	
TEA BREAK		
05.00 p.m.	"Visit to Center for Assessment of Solar Energy"	Dr. K. C. Jayasankar, <i>Associate Professor in EEE Dept., Prathyusha Institute of Technology and Management.</i>

PRATHYUSHA INSTITUTE OF TECHNOLOGY AND MANAGEMENT

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

REPORT ON MNRE SPONSORED ONE DAY NATIONAL LEVEL SEMINAR ON

“RENEWABLE ENERGY PRODUCTION AND ITS CHALLENGES”

The Department of Electrical and Electronics Engineering has organized a MNRE sponsored one day National level seminar on “**RENEWABLE ENERGY PRODUCTION AND ITS CHALLENGES**” held on **29th April 2015**.

- The Seminar was inaugurated by **Dr.G.Giridhar, Director / Head, Solar Radiation Resource Assessment (SRRA) Unit, National Institute of Wind Energy (NIWE), Chennai** and **Ms.UshaShankar, Assistant General Manager, State Bank of India, T.Nagar, Chennai** on **29th April 2015 at 9.30am** in the Seminar hall.
- **Dr.P.M.Beulah Devamalar, Principal** welcomed the gathering and felicitated the chief guest.
- **Mr.S.Krishna kumar, Head of the department** summarized the aspects of the seminar.
- **Dr. A. Kalaimurugan, Coordinator** of this seminar introduced the chief guests to the gathering.
- **73 participants from various institutions have registered for the event.**
- **34 External participants and 39 Internal participants have attended this seminar.**
- **In the valedictory function Mr.S.Krishnakumar; HOD/EEE has distributed certificates to the participants.**
- **Finally Dr.V.Thulasi Bai, Vice- Principal proposed the vote of thanks.**

The following technical sessions were held during the seminar.

SESSION	DATE	TIME	NAME & DESIGNATION	TOPIC
I	29.04.2015	10.00 a.m.- 11.30a.m.	Dr. G. Giridhar, Director/Head, SRRA, NIWE, MNRE, Govt. of India	“Renewable Energy Potential in India”
II	29.04.2015	11.30 a.m.- 1.00 p.m.	Mr. J. Bastin, Assistant Director (Technical) WRA, NIWE, MNRE, Govt. of India	“Wind Power – Basics and Advancements”
III	29.04.2015	2.30 p.m. – 3.30 p.m.	Mr. C. Thiruppathiraja, Consultant, Iacharya Silicon Limited, Chennai	“Basic Feasibility Study & System Design for SPV Power Plant”
IV	29.04.2015	2.30 p.m. – 3.30 p.m.	Dr. K. C. Jayasankar, Associate Professor in EEE Dept., Prathyusha Institute of Technology and Management.	“Solar Radiation Resources Assessment in India”

Meet

Sub: Invitation to participate in e-Yantra lab set up initiative- meeting -reg

I am herewith forwarding the e-mail received from IIT, Bombay for your information and request you kindly to make necessary arrangements to attend the meeting chaired by Madam Dr.K.Saraswathi, Senior Project Manager, IIT, Bombay on 14.8.2015 at T.J.S Engineering College, Chennai. I am also pleased to inform you that now e-Yantra Lab can be set up in the college for the benefit of students and faculty at a minimum cost of Rs 2 Lakh (Reduced from Rs 5 Lakh).

Kindly confirm your participation to
Dr. T. Palani,
Professor, Placement Officer,
T.J.S. Engineering College
Contact Number: +917373919322
e-mail: placement@tjseenggcollege.com

and also send me the copy to SPFU, DOTE, Chennai.

With Regards
Prof. Dr. C. Chinnarasu,
Project Coordinator (TEQIP),
Directorate of Technical Education.

Dear Sir/Madam,

Greetings from e-Yantra!

e-Yantra - a project in the Department of Computer Science and Engineering (CSE), IIT Bombay - is a flagship project of MHRD through the National Mission on Education through ICT (NMEICT) to spread Embedded systems and Robotics education in colleges across India. Please refer to this article that appeared in Datequest magazine on July 24th, 2015: [e-Yantra Database Article](#)

We invite you and Heads of concerned departments to participate in the e-Yantra Lab Setup Initiative (eLSI) that enables colleges to set up Robotics labs and teach Robotics and Embedded systems in an effective manner.

You are invited to attend a meeting to know more about this initiative; details are given below:

We invite you and Heads of concerned departments to participate in the e-Yantra Lab Setup Initiative (eLSI) that enables colleges to set up Robotics labs and teach Robotics and Embedded systems in an effective manner.

You are invited to attend a meeting to know more about this initiative: details are given below:

Date/Time: August 14, 2015; 11:00 A.M. to 1:00 P.M. (Followed by Lunch)

**Venue: Auditorium, T.J.S. Engineering College,
T.J.S Nagar, Peruvoyal,
Chennai - 601 206.**

e-Yantra Lab Setup Initiative (eLSI) is a holistic approach to (i) impart theoretical and programming knowledge to teachers through workshops, (ii) provide hands on experience to teachers through an online Task Based Training (TBT) and (iii) help colleges set up their own Robotics labs.

We have established robotics labs in 100 colleges from 11 regions across the country. Please refer to the following links for more details:
[e-Yantra Pamphlet](#)
[e-Yantra Website](#)

Agenda for the meeting:

1. e-Yantra: an overview
2. What is eLSI? Why is it important for you?
3. Discussion of the model and modalities.

After the meeting, colleges may express their interest to participate in this Nation-building initiative by sending us a Letter of Intent (LoI). The format of the LoI can be downloaded here: [Letter of Intent Format](#)

We look forward to meeting you and launching this initiative successfully in your region. We will greatly appreciate if you can confirm your presence at the meeting at the earliest.

**RSVP: Dr. T. Palani,
Professor, Placement Officer,
T.J.S. Engineering College**

An effective online gross motor movements screening tool for dyslexia based on kinesthetic perception

Article Jan 2015

Thulasi Bai · P.M. Beulah Devamalar · M. Arun Marx · L. Padmanaban

Dyslexia is a specific learning disability and it is most common disorder of childhood. Kinesthetic can be described as the form of learning that involves hands on experience. Multimedia enables learning to become fun and friendly, without fear of inadequacies or failure. The paper proposes online tests for Gross Motor movements that are usually do...

Thank You For Your Membership

Dear MOORTHI MADHAVAN,

Thank you for renewing your IEEE membership. Attached is your 2015 membership card.

Please update or confirm the information in your Technical Interest Profile at www.ieee.org/myieee, so that IEEE can continue to provide you with the most relevant information in your particular areas of interest.

At your local IEEE Section, you can attend a local event or meeting to get to know your IEEE colleagues and enhance your professional network. You can find your local Section contacts online in myIEEE.

Thank you again for continuing your IEEE membership. To learn more about the benefits, services, and features of membership, visit www.ieee.org/benefits.

Sincerely,

Cecelia Jankowski
Managing Director - IEEE Member and Geographic Activities

P.S. Update your Technical Interest Profile and IEEE memberNet preferences at www.ieee.org/myieee with your IEEE Account.

Connect & Participate

- Sign in to myIEEE.
- Update your Technical Interest Profile.
- Be certain your Education and Address Profiles are up to date.
- Opt-in your memberNet preferences.

Share Your IEEE Membership Experience and Get Rewarded!

The IEEE Member-Get-A-Member (MGM) program offers you rewards of up to US\$90 in individual earnings for successfully recruiting new IEEE members.

Your rewards can be applied toward IEEE dues, IEEE Society fees, or the purchase of IEEE products and services.

Program rules:

1. Only open to current IEEE members (IEEE Society affiliates are not eligible).
2. Completed applications (either print or online), with full dues payment, must be submitted with the recruiter's name and membership number in the proper recruiter box that is provided on the application.
3. Applications received without recruiter's membership number will be disqualified—there will be no retroactive qualifying of recruiters.
4. Applications must be received at IEEE before 15 August 2015
5. Maximum individual earnings: US\$90 annually

Full rules are available online at www.ieee.org/mgm

THE MGM PROGRAM OFFERS THE FOLLOWING INCENTIVES:

Professional Members

* Receive US\$15 for each Professional member recruited
Note: e-members recruited earn US\$5 (where available)

Student and Graduate Student Members

* Receive US\$15 for each Professional member recruited
* Receive US\$2 for each Student or Graduate Student member recruited

PRATHYUSHA ENGINEERING COLLEGE

Report On Two Days Workshop on "Statistical Analysis Using R" At Thiagarajar College of Engineering Madurai [6th – 7th November, 2015]

Workshop was inaugurated by Head of the Department, co-coordinator Mr.Ramanujam Information Technology Thiagarajar College of Engineering Madurai, after the inauguration Session was handled by Renold Devarj Titled "**Business Analytics Algorithm and Use Cases**" Then the Afternoon session started at 1.00 pm by same resource person Session Titled "**R Language Basics and Environment Setup for R**" After the session we had tea break then followed session Titles "**Association Rule Mining**".

Day 2 Sessions Handled by Mr. Ramanathan from Cognizant Technology Titled "**Data Analysis Basics and Packages for Visualization**", this session covers Aggregation, Amelia, Melt/Cast Data, and Hierarchical Clustering etc

I Really Thank The Management, Principal, Vice Principal, and Head of the Department -Information Technology giving me opportunity to attend such a wonderful Program. This program creates more interest to do research on Data Science and I assure you to transfer the knowledge I gained in this program to other faculty members and student community

Thanking You

Mr.I.Mohan

Letter No: 37846 / TEQIP / II/ 2015 Dated: 10.9.2015

Sir / Madam,

Sub: TEQIP Phase II – Proposal for “Train the Trainers Programmes” for the Anna University, NASSCOM – Foundation Skills in Integrated Product Development (FSIPD) through TEQIP Phase –II fund – During September 2015 to October 2015 - Regarding.

Ref: 1. Letter from the Registrar, Anna University, Chennai Ir.No: Naascom /Trng Prog /2015 Dated: 3.9.2015
2. Introduction for “Foundation Skills in Integrated Product Development (FSIPD)” as Elective for B.E./ B.Tech Students – Reg.

This is to inform that Anna University Chennai along with NASSCOM has proposed to conduct “**Train the Trainers Programmes**” under the title “**Foundation Skills in Integrated Product Development (FSIPD)**” to train 1680 faculty from 560 Engineering Colleges [TEQIP & Non TEQIP Institutions] during September 2015 to October 2015 using TEQIP-II fund.

Vision 2023 of the Government of Tamil Nadu has set stretch targets to be achieved in terms of economic and human development indicators. The most important resource for the success of Vision 2023 would be the availability of trained, knowledgeable and skilled manpower in Tamil Nadu. Thrust on skill development is one of the strategic initiatives of Vision 2023.

Anna University and NASSCOM Sector Skill Council (SSC) have designed and developed the – “Foundation Skills in Integrated Product Development (FSIPD)” course for all UG Programmes in Engineering to introduce as an Elective and this FSIPD program will increase the industry readiness of students. Through the “Train the Trainers Programmes

(TTT)” it creates synergy between teachers, professionals from various engineering industries and the students.

In this regard, they have planned to conduct the following programs:

1. **One TTT programme at CEG Campus, Chennai** with 60 participants in September 2015. Upto 4 faculty members from each of the TEQIP –II Institutions and the Constituent Colleges of Anna University will be trained at Chennai. This is done to ensure local support for the FDPs and minimize the requirement for moving other certified trainers during the launch. The Instructors are provided by NASSCOM ERD Council. Anna University may also propose Instructors after approval by the NASSCOM ERD Council.
2. **Three “Train the Trainers Programmes (TTT)” with 60 participants at each TEQIP-II Institution** venue during October & November 2015. There will be one TTT running simultaneously at each of the 8 TEQIP –II Institutions using **Institution TEQIP-II fund**. The participants will be from TEQIP and Non TEQIP Institutions
3. In addition suggested that for colleges in and around Chennai a **9th TTT program** may be run along with the other TTTs **at DOTE Chennai**.

The Duration of Each Programme is Five days

Number of Participants in Each Programme : 60

Participant Selection Criteria:

- Should have minimum 5 years of Teaching Experience and Guided BE final year Projects for two academic years.
- Should have handled subjects related to Systems Engineering, Engineering Design and Application Development.

Estimated Number of Faculty Members to be trained:

Number of Colleges : 560

Number of Faculty to be trained: $560 \times 3 = 1680$

Hence the planned capacity is $9 \times 60 \times 3 = 1620 + 60 = \underline{1680}$ Faculty Members

Of the five day programme, first two days will be handled by the Certified Instructors from Anna University and TEQIP –II Institutions. These Instructors are either from the TTT at Chennai or approved by NASSCOM ERD Council based on their track records. Only those who make a minimum grade will be **“Certified as Instructors”** for the future programmes. For the next three days, one Instructor from NASSCOM ERD Council will be in person at each of the venues for all the three days. This Instructor will be helped by the Certified Instructors at the venue. The topics to be covered during the above 5 days are given in detail in the Proposal. **There is no Honorarium to be given for NASSCOM Instructors.**

Only the hospitality charges are to be provided to the participants and the Instructors of the TTT.

The Approximate Budget Estimate for conducting per TTT programme (60 participants) is as given below:

Registration kit (Rs.450 /- per head) Registration kit includes Course Material, Printed Schedules, Lunch Coupons, Pen, Pencil, Eraser, Sharpener, Contact details. <u>For the Classroom :</u> Flip Charts, Two Bundles of A4 Sheets, Ten Chart papers of different colours, Ten Post –It pads (Minimum 50 sheets per pad), Three scissors, three sketch pen set, three crayon set, three highlighter pen set)	Rs.27,000/-
Lunch, Snacks & Hospitality for 5 days@[Rs.200 /- per Head] + 5 Instructors	Rs.65,000/-
Travel for the Officials	Rs.20,000/-
Brochure, Certificate Printing, Marketing & Miscellaneous	Rs.13,000/-
Total	Rs.1,25,000/-

- The approximate budget estimate for conducting per TTT programme is Rs.1,25,000/- (Rupees one lakh twenty five thousand only).
- There is no Honorarium to be given for NASSCOM Instructors. Honorarium for the Instructors from within the TEQIP –II Institutions is only to be provided by the corresponding Institution.
- The TA, DA for participants from TEQIP Institutions will be borne by the respective Institutions.
- The TA, DA for participants of Non –TEQIP Institutions will not be given from TEQIP-II fund. They have to bear their own or using their own Institution fund. Only hospitality will be provided to the participants and the Instructors of the TTT.
- For the TTT program to be conducted at each of the TEQIP –II Institutions, the Institutions need to budget around Rs.4 lakhs for 3 programmes from their Institution TEQIP-II fund.

In view of the above, the Principals / Head of the TEQIP-II are requested to coordinate with Centre for Faculty Development, Anna University – NASSCOM to organize the 3 TTT programs at their respective Institutions using their Institution TEQIP –II fund as per NPIU norms and also to depute 4 faculty members from each of the TEQIP –II Institution to the TTT program to be conducted at CEG, Chennai from **28.9.2015 to 2.10.2015** to become Trained Instructors and to help for the future programs. Those TEQIP –II Institution who do not have sufficient TEQIP fund may inform SPFU for meeting the expense from interest of TEQIP-II fund or need assistance from SPFU fund.

The contact details of Coordinator of the above TTT program are as given below:

Dr. T.V. Gopal,
Professor / CSE & Coordinator of Implementing Committee of TTT program,
Anna University, Chennai
Chennai -600 025
[Mobile: 9840121302]

The detailed proposal for the “Train the Trainers Programmes” for the Anna University, NASSCOM – Foundation Skills in Integrated Product Development (FSIPD) is also enclosed herewith for your kind information and necessary action.

The expenditure towards organizing the above training program can be met under the **Activity “Faculty and Staff development for improved competence” and Sub-Activity “Expenditure on organising in-house subject area training Programs / Workshops / Seminars / Conferences/ Continuing Education Programs”** of Institution TEQIP-II fund and **related State Head of account**

“2203-00 Technical Education -112, Engineering / Technical Colleges and Institutes – Schemes in the Twelfth Five Year Plan – VI Scheme shared between State and Centre UA Technical Education Quality Improvement Programme Phase –II -72 Training” (DPC 2203 00 112 UA 7203)

**Proposal for “Train – The – Trainers Programmes” for the Anna University –
NASSCOM “Foundation Skills in Integrated Product Development [FSIPD]”
through TEQIP – Phase II**

- Sub-Component 1.1-“Strengthening Institutions to improve learning outcomes and employability of graduates”
- Sub-Component 1.2-“Scaling-up Post Graduate Education and Demand Driven Research & Development and Innovation”

Introduction

Tamil Nadu has been one of India’s most progressive states and is amongst the top three on several economic and social indicators.

Tamil Nadu is one of the leading states in terms of demographic dividend, with approximately 66% of the population lying in the working age group. However, this dividend is expected to be exhausted over the next decade. The shortfall in the availability of skilled human resources is expected to reach 3.6 lakh workers at the semi-skilled level and 2.25 lakhs at the skilled level by 2022. The excess availability of unskilled human resources may be channelized towards meeting this gap through skill development interventions.

Vision 2023 of the Government of Tamilnadu has set stretch targets to be achieved in terms of economic and human development indicators. The single most important resource for the success of Vision 2023 would be the availability of trained, knowledgeable and skilled manpower in Tamil Nadu. Thrust on skill development is one of the strategic initiatives of Vision 2023.

NASSCOM Sector Skill Council (SSC) caters to the IT-ITeS sector. Anna University and NASSCOM – SSC have been working together for the past few years to design and develop the “Foundation Skills in Integrated Product Development [FSIPD]” course for all UG Programmes in Engineering. The FSIPD program will increase the industry readiness of students.

The program has been developed under the aegis of the Engineering Talent Council, comprising of companies like Alcatel Lucent, Aricent, EMC, Geometric Limited, HCL Technologies, Huawei, iGate, Infosys Technologies Limited, KPIT Technologies Limited, Microsoft Corporation India (Private) Limited, Quest Global, Robert Bosch Engineering & Business Solutions Limited, SAP Labs India, Sasken, Synapse, Tata Consultancy Services, Tata Technologies, UTC Aerospace Systems.

The process involved many senior teachers from the Academic Institutions all over India. The course material has been specially prepared and critically reviewed. FSIPD aims at integrating the humanities and engineering disciplines while providing students with unique educational experiences.

One of the major problems currently faced by the skill development sector is the absence of a unified platform for training providers. The lack of quality trainers impedes effective training delivery. Greater industry exposure of trainers and innovative training methods focusing on

J.v.k

practical application are required to bridge the divide between classroom teaching and workplace expectations.

Anna University and NASSCOM – SSC are going to work together in the next three years to address these concerns through the “Train – The – Trainers [TTT] Programmes” and creating a synergy between teachers, professionals from various engineering industries and the students.

Thiru P Palaniappan, Honorable Minister for Higher Education, Government of Tamilnadu has formally launched the FSIPD course on 09 July 2015 at Anna University.

The course material specially prepared for the FSIPD Course has also been released by the Honorable Minister for Higher Education, Government of Tamilnadu.

The launch function was presided by Dr. M Rajaram, Vice Chancellor, Anna University. The following dignitaries from NASSCOM graced the occasion.

- Mr. Samir Yajnik, Co-chair NASSCOM ER&D Council, President Sales & COO Asia-Pacific, Tata Technologies Ltd.
- Mr. Lakshmi Narayanan, Chairman SSC NASSCOM , Vice Chairman, Cognizant Technologies Solutions
- Mr. K Ganesan, SSC NASSCOM GC Member, Vice President & Global Head Talent Acquisition & Academic Interface Programme, Tata Consultancy Services
- Mr. B V R Mohan Reddy, Chairman NASSCOM, Founder and Executive Chairman of Cyient
- Dr. Sandhya Chintala, Vice President NASSCOM, Executive Director - SSC NASSCOM

79 faculty members from various affiliated colleges of Anna University were certified as trainers soon after the launch vide three concurrent faculty development programmes. The plan is to train 1680 faculty members who can offer the FSIPD elective for all UG students.

Duration of the Each Programme: FIVE DAYS

Number of Participants in Each Programme: 60

Participant Selection Criteria:

- Should have minimum 5 Years of Teaching Experience and Guided BE Final Year Projects for two academic years
- Should have handled Subjects related to Systems Engineering, Engineering Design and Application Development.

TTT Programme @ CEG Campus – Chennai

Upto 4 faculty members from each of the TEQIP – II Institutions and the Constituent Colleges of Anna University will be trained at Chennai.

J. V. L.

The EIGHT Institutions in Tamilnadu through TEQIP - II are given below.

1. Government College of Engineering, Bargur
2. PSG College of Technology, Coimbatore
3. Thiagarajar College of Engineering, Madurai
4. Coimbatore Institute of Technology, Coimbatore
5. University College of Engineering, B.I.T Campus, Trichy
6. Government College of Technology, Coimbatore
7. Alagappa Chettiar College of Engineering & Technology, Karaikudi
8. Government College of Engineering, Salem

List of Constituent Colleges of Anna University [Only for the First TTT at the CEG Campus]

1. University College of Engineering Kanchipuram
2. University College of Engineering Arani
3. University College of Engineering Villupuram
4. University College of Engineering Tindivanam
5. University College of Engineering Pattukkottai
6. University College of Engineering Thirukkuvilai
7. University College of Engineering Ariyalur
8. University College of Engineering Panruti
9. University College of Engineering Ramanathapuram
10. University College of Engineering Dindigul
11. University College of Engineering Nagercoil
12. University College of Engineering (VOC College of Engg.), Thoothukudi

Subsequent TTT Programmes will be hosted only at the TEQIP – II Institutions.

Estimated Number of Faculty Members to be Trained:

Number of Colleges: 560

Number of Faculty to be Trained: $560 \times 3 = 1680$

Suggested Plan of Action:

ONE TTT Programme @ CEG Campus – Chennai [60 Participants] – September 2015

Upto 4 faculty members from each of the TEQIP – II Institutions and the Constituent Colleges of Anna University will be trained at Chennai.

Please note that this programme will be exclusively for the Faculty from the specific TEQIP venues. This will ensure local support for the FDPs and minimize the requirement for moving other certified trainers during the launch.

The Instructors will be provided by NASSCOM ERD Council. Anna University may propose Instructors to be approved by the NASSCOM ERD Council.

J. V. L.

3 TTTs with 60 participants each are being planned each of the TEQIP – II Institutions – October & November 2015. There will one TTT running at each of the 8 TEQIP – II Institutions.

It is suggested that for colleges in and around Chennai a 9th TTT may be run along with the other TTTs at DOTE Chennai.

The planned capacity is $9 \times 60 \times 3 = 1620 + 60 = 1680$ Faculty Members

Instructors for Each FDP:

First Two Days:

The first two days will be handled by the Certified Instructors from Anna University, TEQIP – II Institutions. These Instructors must be either from the TTT at Chennai or approved by NASSCOM ERD Council based on their track records.

The selection criteria for the participants of the TTTs, the Instructors and a method of certifying the Instructors needs to be evolved. Participation Certificate will be issued to all the participants for the Administrative purposes. Only those who make a minimum grade will be “Certified as Instructors” for the future programmes.

There is an expected preparation from the participants before and after the TTT. Plenty of content will be available in electronic form for the registered participants. The platform for this purpose will be decided by the NASSCOM ERD Council.

50 project ideas will be announced ahead of the TTT. The Certified Instructors will ensure that all the participants have been assigned the Project Topics up-front, before start of the first day of the TTT. It would be good if we can finalize the project along TTT nomination conformation itself. Also the completion of the following E-Learning modules to be made mandatory to attend the TTT.

- FSIPD Syllabus, Reference Books, E-Copy of the course material, List of Project Topics
- FSIPD Project Presentation Videos
- Participant Feedback Videos
- Current Industry Trends

Topics to be covered on the first two days:

- Review of the Videos through E-Learning Portals
- Project Selection

Lesson1:

- Global Trends Analysis and Product decision
- Introduction to Product Development Methodologies
- Introduction to Product Development Management

J.v.L.

Lesson3:

- System Integration
- Product Documentation

Lesson 4:

- Sustenance Engineering and End-of-Life (EoL) Support

Lesson5:

- Business Dynamics – Engineering Services Industry

Next Three Days:

One Instructor from NASSCOM ERD Council will be in person at each of the Venues for all the three days. This Instructor will be helped by the Certified Instructors at the Venue.

The Hub – and – Spoke Model will be attempted. One Instructor with expertise in a given topic at a specified venue will lecture and others will listen in a Videoconferencing mode with interaction. The Instructor at the Venue will help comprehend the lecture.

In case the technology fails, the Instructors at the venue will deliver the lectures.

The time of the Instructors based on the expertise can be optimized once the geographical locations of the Venues are fully determined.

The travel and stay for these Instructors will be borne fully by NASSCOM.

Topics to be covered on the last three days:

- Initial Project Review

Lesson2:

- LESSON 2A Requirement, Requirement types, Req. Engg, Req. Mgmt, Traceability
- LESSON 2B System Design, SRS, SDS, Sys. Modeling, Zackman's Framework

Lesson3:

- LESSON 3A Industrial Design, Usability Engg, Conceptualisation (Mech, H/W, S/W, Co-design), Mockup Development detailed design, verification, validation
- Intermediate Project Review
- Final Project Review

J. V. K.

The faculty will be provided with Lunch and Coffee along with the participants of the TTT.

Anna University is proposing to seek funding from TEQIP – II below.

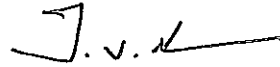

Budget Estimates: Rs. 1,25,000/- [Rupees One Lakh Only] Per TTT [60 Participants]

Registration Kit [Rs. 450/- Per head] [Registration Kit Includes: Course Material, Printed Schedules, Lunch Coupons, Pen, Pencil, Eraser, Sharpener, Contact Details For the Classroom: Flip Charts, Two Bundles of A4 Sheets, Ten Chart Papers of different Colors, Ten Post-It Pads (Minimum 50 sheets per Pad), Three Scissors, Three Sketch Pen Set, Three Crayon Set, Three Highlighter Pen Set]	Rs. 27,000/-
Lunch, Snacks & Hospitality – 5 Days [Rs. 200/- Per Head] + 5 Instructors	Rs. 65,000/-
Travel for the Officials	Rs. 20,000/-
Brochure, Certificate Printing, Marketing & Miscellaneous	Rs. 13,000/-

For 28 TTTs the estimate is Rs. 35 Lakhs [Rupees Thirty Five Lakhs Only]

All costs for the participants should be borne by their respective institutions.

Honorarium for the Instructors from within the TEQIP – II institutions is provided by the corresponding institution. Each of the TEQIP – II Institutions need to budget around Rs. 4 Lakhs.

Date: 13.11.2015

Dear Sir / Madam,

I would like to bring to your kind attention that Commissioner of Technical Education, Tamilnadu has approved the "Train – The – Trainers [TTT]" programmes for the faculty of Anna University affiliated Engineering Colleges under the scheme in the subject "Foundation Skills in Integrated Product Development [FSIPD]" course which is an elective for all branches of Undergraduate Engineering Programme.

Please note that the following dates are confirmed for two cycles of the above "Train – The – Trainers [TTT]" programmes.

Cycle I - 23rd to 27th November 2015

Cycle II - 08th to 12th December 2015

One batch of 60 participants will attend the TTT in a given cycle on first come, first served basis in your institution.

As per the directions of the Commissioner of Technical Education, Tamilnadu and Vice-Chancellor, Anna University, 3 faculty members from the colleges listed in Annexure A will be deputed to attend the TTT in your institution. Those who are attending the above programme will be treated as on - duty.

Please note that the faculty deputed for this TTT has minimum of 5 years of teaching experience and should have guided B.E final year projects for two years. Further it is highly desirable that they should have taught subjects related to Systems Engineering, Engineering Design and Application Development. The TEQIP coordinator in your institution is requested to confirm the nomination only if the above criteria are attested by the concerned authority in the institution of the participants.

Please note that all the faculty deputed will be provided with the "Certificate of Participation" and only those who make the grade will be "Certified as Instructors" to train the trainers in the cluster of colleges in the specific region.

Please Note:

There is no registration fee for the program.

Number of seats is limited.

The participants will be selected on first come and first served basis.

No TA/DA will be paid.

No Accommodation will be provided for the participants.

For any further details please contact

Dr. D. Mohan, Director, Center for Faculty Development, Anna University [044-22358217/18]

Dr. D. Sridharan, Addl. Director, Center for Faculty Development, Anna University, Chennai-25.

Dr. T.V. Gopal, Co - Ordinator, Implementation Committee [0 9840121302]

E -mail: gopal.tadepalli@gmail.com, gopal@annauniv.edu

Kindly inform us the contact details of the co-ordinator(s) from your institution as per the format in annexure I so that we can include them in the mails sent to the affiliated colleges of Anna University and the Anna University website at the earliest.

Kindly note that 2 instructors from NASSCOM will be at your institution on the last THREE days. Please provide hospitality as per TEQIP norms to the instructors from NASSCOM and a maximum of **3 officials from Anna University** including the instructors for the first TWO days of the TTT Programme.

I request you to be kind enough to depute the faculty. The list of Faculty may be sent through e-mail to respective TEQIP centres.

Thanking You

With Kind regards
Sincerely Yours

Director, CFD
