Thank You For Your Membership

Dear MOORTHI MADHAVAN,

Thank you for renewing your IEEE membership. Attached is your 2016 membership card.

Please update your Technical Interest Profile online at www.ieee.org/profile. You will need your IEEE Account to sign in. Here you can also update your professional and education information, as well as manage communication preferences. This information will allow IEEE to provide you with timely and relevant information about your particular areas of interest.

At your local IEEE Section, you can attend a local event or meeting to get to know your IEEE colleagues and enhance your professional network. You can find your local Section contacts online in myIEEE at www.ieee.org/myIEEE.

Thank you again for continuing your IEEE membership. To learn more about the benefits, services, and features of membership, visit www.ieee.org/benefits.

Sincerely,

Cecelia Jankowski

Share Your IEEE Membership Experience and Get Rewarded!

The IEEE Member-Get-A-Member (MGM) program offers you rewards of up to US\$90 in individual earnings for successfully recruiting new IEEE members.

Your rewards can be applied toward IEEE dues, IEEE Society fees, or the purchase of IEEE products and services.

Program rules:

1. Only open to current IEEE members (IEEE Society affiliates are not eligible).
2. Completed applications (either print or online), with full dues payment, must be submitted with the recruiter's name and membership number in the proper recruiter box that is provided on the application.
3. Applications received without recruiter's membership number will be disqualified—there will be no retroactive qualifying of recruiters.
4. Applications must be received at IEEE before 15 August 2016
5. Maximum individual earnings: US\$90 annually

Full rules are available online at www.ieee.org/mgm

THE MGM PROGRAM OFFERS THE FOLLOWING INCENTIVES:

Professional Members

* Receive US\$15 for each Professional member recruited
Note: e-members recruited earn US\$5 (where available)

Student and Graduate Student Members

* Receive US\$15 for each Professional member recruited
* Receive US\$2 for each Student or Graduate Student member recruited

PRATHYUSHA ENGINEERING COLLEGE
ARANYOYALRUPPAM,
TIRUVALLUR - 602 025.

ABOUT THE INSTITUTION

Prathyusha Engineering College, Chennai popularly known as PEC is the brain child of the well known industrialist and philanthropist Shri. P. Raja Rao, the founder and Chairman of the Governing Board of the College. PEC is a self-financed Telugu Minority Institution approved by AICTE, affiliated to Anna University, accredited by NBA and a recipient of ISO certification. The college offers 7 UG courses and 7 PG Courses. PEC has well furnished ICT Class rooms, state of the art laboratories and modern seminar hall in each department. The Central Computing Lab on par with IT Industry standards has very unique facilities. The Central Library is well equipped with modern facilities and resources in the form of NPTEL connectivity, CD-ROMs, On-line databases, books, e-journals etc. Our institution has signed MOUs with various organizations like NIWE (formerly CWET), Infosys, IBM, TVS Haritha Techserv, etc. The National Institute of Wind Energy (NIWE), run by Ministry of New and Renewable Energy (MNRE), India has established a Solar Radiation and Resource Assessment (SRRA) station in our institution premises, and a unique Advanced Measurement Station (AMS) which has calibration lab for the calibration of all the precision instruments being used in the SRRA stations.

ABOUT THE PROGRAMME

It is known that the entire world has to depend on the lighting. We can design, calculate and visualize light professionally for single rooms, whole floors, buildings and outdoor scenes. In order to establish the economic prerequisites for the installation and the maintenance conditions for the lighting installation, it has been planned to organize a one day workshop on "Hands on training in Illumination Software". The objectives of the workshop are

- Simple, effective and professional light planning
- Understand the latest luminaire data of the world's leading manufacturers.
- Investigate which light sources, luminaires and lighting systems best satisfy the demands, aim and conditions.
- Financial evaluation of different lightning system by calculating the life cycle costs based on the investment, operation and maintenance.
- Compare the selected lighting systems with regard to other installations
- Planning whole buildings including outdoors spaces

WORKSHOP TOPICS

- Introduction to Electrical Energy Utilization.
- Design and Implementation of lighting system.
- Concept of Illumination Software
- Hands on training on DIALux software.

RESOURCE PERSONS

- Experts from industry.

IMPORTANT DATES

- Last date for the receipt of applications: **14.11.2016**
- Intimation of selection : **16.11.2016**

BOARDING AND LODGING

- It will be provided in the college campus on request.

ELIGIBILITY

- Faculty, Research Scholars, UG and PG students from Engineering institutions
