About the College

Prathyusha Engineering College is established by Prathyusha educational trust promoted by Prathyusha group of companies, who are into shipping, logistics, warehousing, power, aqua and construction, fertilizers, mining and real estate. The college is situated at Aranvoyaluppam along Poonamallee – Thiruvallur high road. PEC, a Telugu minority institution is affiliated to Anna University, Chennai and approved by AICTE. PEC is accredited by NBA & NAAC “A” Grade and stepping into a glorious 18th year of meaningful educational service.

PEC offers undergraduate programme in B.E., (ECE, EEE, CSE, Civil and Mech.,) and B. Tech (Biotech) and 6 postgraduate programme (including CSE, Communication systems, Power electronics). PEC aesthetically designed campus is spread over 60 acres and has about 2, 50, 000 sq.ft, build-up area. Excellent infrastructure facilities, well maintained eco-friendly campus, digital class rooms, state –of- art laboratories, modern library, separate hostel for boys and girls and students’ centric academic ambience are just a few of the many sterling features of that go into making PEC a front runner in technical education.

About the Department

The department of Biotechnology was started in the academic year 2001-2002 and offers B.Tech (Biotechnology) programme. The department is accredited by NBA. The department has well-furnished state -of- art laboratories like Biochemistry lab, Genetic Engineering lab, Bioprocess lab and Chemical engineering lab. The department has 9 faculties of which 5 are Ph.Ds. and 1 is pursuing Ph.D. The department is a front runner in research and development activities and organizing seminars / conferences / symposia.

Day 1 : 17.08.2018

08.30 am	Registration
09.15 am	Prayer
09.20 am:	Welcome address
09.35 am:	Felicitation of the chief guest
09.45 am:	Inaugural address
10.15 am:	Key note address
10.30 am:	Presidential address
11.30-12.30pm:	Chemical Signaling and application in Biotech - Dr. Archunan,,
02.00-3.30pm:	“Biofuels” - Dr. Harini Kumar
03.30-5.00pm:	Strategies to conserve Bioresource potential” Dr. Archunan

Day 2 : 18.08.2018

09.00-11.00 am	Fermentation Technology Dr. Bharathi P. Salimath
11.30-01.00 pm:	Molecular markers and their applications in Biotechnology Dr. Harini Kumar
1.30-3.00pm :	Transgenic Animals GMO Dr. Bharathi P. Salimath
3.00-4.30 pm :	Microbes as a source of human Medicine Dr. D.J. Bagayaraj
4.30-5.00 pm	Valediction

Venue of the Workshop:

The two days Lecture workshop will be held at Seminar hall, Main block, Prathyusha Engineering College, Poonamallee to Tiruvallur High Road, Chennai – 602 025

Who should attend the workshop?

Students undergoing UG PG Life sciences, Research Scholars from recognized institutions, Teachers and Industry people.

About the Workshop:

The workshop gives in depth knowledge in the field of Biotechnology and Microbiology. The workshop deals with chemical signaling and its biotechnological application, various processes of biofuels, conservation of bioresources, fermentation technology and molecular markers with its applications in biotechnology. In addition to this the lecture workshop will be discussing the various biotechnological methods for transgenic animals and the role of microbes in human medicine.

Prof. A. J. A. Rautisraugh
Dept. of Biotechnology
Prathyusha Engineering College
Aranyavalkuppam
Poonamallee-Tiruvallur Road,
Chennai 602 025

Subject: Lecture Workshop on "Biotechnology, Bioprospecting and Bio-resource conservation" at Prathyusha Engineering College, Poonamallee-Tiruvallur Road, Chennai during 07-08 August 2018.

Dear Prof. Rautisraugh,

This has reference to the letter forwarding a proposal and budget for organizing a two-day Lecture Workshop at Prathyusha Engineering College, Poonamallee-Tiruvallur Road, Chennai. The Joint Science Education Panel of the three Academies will be happy to sponsor and support the Lecture Workshop. We note that Dr D.J. Bagyaraj (CNBICD, Bengaluru) will be the Workshop Convener and that you will be the Workshop Co-ordinator.

(a) Your budget of Rs. 1,46,500/- including travel expenses, (Resource Persons, travel expenses (i) if by A/C train fare for persons below the age of 60 (ii) air travel by Air India only for Resource Persons over the age of 60) for 150 participants has been approved by the Science Education Panel. As per the guidelines, the ideal number of participants in a Lecture Workshop should be between 100 and 125 and in any case should not exceed 150, to maximize interaction between participants and resource persons. Please note that you have to adhere to our guidelines and the approved amount is strictly following the budget heads in the guideline.

(b) Please note that only the names of Convener and Co-ordinator of the Workshop should be included in brochure/invitation etc. Names of members of the management, organizing committees, patrons etc should be strictly avoided.

(c) Please ensure that the expenditure on individual items does not exceed the sanctioned BUDGET HEAD. If the actual expenditure exceeds the sanctioned budget, THE HOST INSTITUTION SHOULD TAKE CARE OF THE DIFFERENCE.

(d) Lecture Workshops are sponsored and supported by the three National Science Academies - IASc, INSA and NASI. The names of INDIAN ACADEMY OF SCIENCES (BENGALURU), INDIAN NATIONAL SCIENCE ACADEMY (NEW DELHI) and THE NATIONAL ACADEMY OF

Indian Academy
of Sciences,
Bangalore

About the College

Prathyusha Engineering College is established by Prathyusha educational trust promoted by Prathyusha group of companies, who are into shipping, logistics, warehousing, power, aqua and construction, fertilizers, mining and real estate. The college is situated at Aranvoyaluppam along Poonamalle – Thiruvallur high road. PEC, a Telugu minority institution is affiliated to Anna University, Chennai and approved by AICTE. PEC is accredited by NBA & NAAC “A” Grade and stepping into a glorious 18th year of meaningful educational service.

PEC offers undergraduate programme in B.E., (ECE, EEE, CSE, Civil and Mech.) and B. Tech (Biotech) and 4 postgraduate programme (including CSE, Communication systems, Power electronics and Structural Engineering). PEC aesthetically designed campus is spread over 60 acres and has about 2,50,000 sq.ft, build-up area. Excellent infrastructure facilities, well maintained eco-friendly campus, digital class rooms, state – of- art laboratories, modern library, separate hostel for boys and girls and students’ centric academic ambience are just a few of the many sterling features of that go into making PEC a front runner in technical education.

About the Department

The department of Biotechnology was started in the academic year 2001-2002 and offers B. Tech (Biotechnology) programme. The department is accredited by NBA. The department has well-furnished state -of- art laboratories like Biochemistry lab, Genetic Engineering lab, Bioprocess lab and Chemical engineering lab. The department has 9 faculties of which 5 are Ph.Ds. and 1 is pursuing Ph.D. The department is a front runner in research and development activities and organizing seminars / conferences / symposia.

Objective:

The main objective of the conference is to bring people together from diverse disciplines to review progress and to exchange ideas in all aspects of biotechnology especially in medical biotechnology, pharmaceutical biotechnology, enzyme and protein engineering, bioinformatics and systems biology etc.

Who should attend:

We cordially invite Engineering, Life sciences, Biotech, Basic and clinical scientists, Physicians, Academicians, Public Health specialists, Pharmacists, Research Scholars, MD students.

Day 1 (24.01.2019)

8.00 am - 9.30 am	Registration
9.30 am to 10.45 am	Inaugural Plenary Lecture 1:
11.00 am to 12.15 pm	Bioinformatics tools in clinical Research Prof. Doble Mukesh Head, Dept. of Biotechnology IIT, Chennai
12.15 pm to 1.15 pm	Plenary Lecture 2 : GMPs in pharmaceutical industry for health care Dr. K.V. Brahmavidhya Deputy Manager, HLL Biotech Ltd, Chengalpat
2.30 pm to 5.00 pm	Paper Presentation

Day 2 (25.01.2019)

8.30 am to 9.30 am	Plenary Lecture 3: Antioxidant property of plants in health care system Dr. A. Ganamani Principal scientist Biological Material laboratory CSIR-CLRI, Adyar Chennai - 600 025.
9.30 pm to 11.15 am	Paper Presentation Plenary Lecture 4: I Industrial approach for health care system Dr. Subramanian CEO, Synkromax INDIA Chennai.
11.30 pm to 1.00 pm	
2.00 pm to 3.00 pm	Valedictory

NATIONAL LEVEL CONFERENCE

(Catalyzed and financially supported by Tamilnadu State Council for Science and Technology, Dept. of Higher Education, Government of Tamilnadu)

The two days National level conference Application of Biotechnology In Clinical Research And Human Healthcare organized by Department of Biotechnology sponsored by **Tamil Nadu State Council For Science And Technology (TNSCST)** on **24th & 25th, January, 2019**. The main objective of the workshop is to give in depth knowledge on the various fields of biotechnology such as medical, pharmaceutical, enzyme and Protein Engineering.

Totally, **92 participants** including students, staffs and researchers were registered for the National Conference from 19 institutions like MGR University, SRM University, Sathyabama University, St.Peters Engineering College, VRR Institute of Biomedical Sciences, DG Vaishnav College and various Engineering colleges.

The National Level Conference on Application of Biotechnology In Clinical Research and Human Healthcare was held on 24th ad 25th of January in seminar hall, PEC. The conference had four plenary lectures which were given by experts of various fields. The plenary lecture 1 was given by **Dr.Doble Mukesh, prof. IIT madras** on the topic Bio-informatics tools in clinical research. The plenary lecture 2 was given by **Dr. K. V. Brahmavidya, Deputy Manager. HLL Biotech Ltd, Chengalpattu**. The plenary lecture 3 was given by **Dr.Vallivitan, Professor, St.Peters University** and the final plenary lecture 4 was given by **Dr.Narandarsivasamy, Managing Director, Synkromax Biotech Pvt. Ltd**. In addition to the plenary lectures, poster and oral presentation was conducted, various participants from different other universities and colleges participated in this technical competition.

About the Institution

Prathyusha Engineering College, Chennai popularly known as PEC – is a self-financed Telugu Minority Institution managed by Prathyusha Educational Trust, Chennai, approved by AICTE, affiliated to Anna University, accredited by NBA and a recipient of ISO certification, located 30 kms from Chennai Central Railway Station. The college was established in the year 2001, to promote engineering education with quality technical knowledge to all the students hailing from not only in and around Chennai, but from various districts in Tamilnadu and from neighbouring states also. This Elysium of education is the vision of the Founder Chairman Shri.P.Raja Rao, the well-known industrialist and philanthropist, to bring world-class education into this sylvan campus.

- ▶ Providing state-of-the-art infrastructure facilities
- ▶ Imparting quality education and training through qualified, experienced and committed members of the faculty
- ▶ Empowering the youth by providing professional leadership
- ▶ Developing centres of Excellence in frontier areas of Engineering & Technology
- ▶ Networking with Industry, Corporate and Research Organizations
- ▶ Promoting Institute-Industry partnership for the peace and prosperity of the nation

The institution has professional societies like ICI, ISTE, IEEE, CSI, and SAE.

About the Department

The Department of Civil Engineering was established in the year 2009. The B.E. Civil Engineering program was duly approved and accredited by the AICTE and Affiliated to Anna University. The department activities are fully supported by the dedicated and qualified faculty. An intake of 60 was sanctioned initially. The department has well-experienced faculty and staff members of proven track record in the field of Civil Engineering. All faculties with a minimum qualification of Post Graduate degree including one faculty member with Ph.D qualification.

The Faculty Members in the department are periodically attending workshops and conferences to upgrade their skills. In addition, the department also organizes workshops, seminars, symposiums and Staff Development Programmes to expose the recent developments. The department imparts the basic knowledge in the areas of Civil Engineering including Structural Engineering, Hydraulics & Fluid Machinery, Environmental Engineering, Construction Management, Transportation Engineering, Remote Sensing and GIS, Geotechnical Engineering etc.,

About the Seminar

The objectives of this programme are to impart knowledge on the application of Water Resources Engineering and Management. To provide opportunity for faculties employed in affiliated colleges of the Anna University, research scholars and industrial experts to upgrade their knowledge in the field of Water Resources.

Venue

Seminar Hall, Prathyusha Engineering College

How to Apply

The completed application form (duly Signed by the competent authority) may be sent to the mailing address on or before 02/12/2018. Submit the scanned registration form through seminar email id: hod.civil@prathyusha.edu.in, and participants will get confirmatory email from the Coordinators.

Registration Fees: Rs.200 per Participants

Additional Information:

No TA/DA will be provided to the participants.

Who to Attend

1. Faculty members of Engineering Colleges
2. Research Scholars
3. Industrial persons.

Important Dates

Last date of registration : 02/12/2018

Venuc : SEMINAR HALL(MAIN block) &
HARITHA LAB (Collabaration Building)

Day 1:7.12.18

Session-I:

Two Days NATIONAL LEVEL FACULTY DEVELOPMENT PROGRAM ON BLOCKCHAIN OF THINGS inaugurated with Tamil thai Valthu in Seminar Hall by Mr.Seetharaman(BC Developer,DL Labs-Bengaluru), Ms.V.R.Kavitha(Associate Professor Head Department of CSE-PEC),Dr.P.Chitra(Professor Head Department of IT-PEC).

The session is started by Mr. Seetharaman (BC Developer, DL Labs-Bengaluru). This is the Eye Opener Session of Blockchain. The session gives the importance of Blockchain. The resource person clearly explained about the need of Blockchain technology. He briefed about the real time environment where Blockchain can be used. He gave detailed information about the various platform and the development environment and skills for blockchain application developers. He shared his knowledge with two examples one example is about the node generation in Blockchain and another example Random number generation. The session was very interesting and informative.

Session – II :

Afternoon session was handled by Mr. Shabarinathan (CEO, Respo Labs). He explained about how IoT application can use Blockchain Technologies. He described everything with real time projects. He gave example with Roll-play demo for Cryptocurrency. The session is very interactive and informative.

Day 2: 8.12.18

Session – III :

Second day of FDP on Blockchain of Things Forenoon session by Mr. Sivakumar, TTH & Research Innovation Labs Head. He gave a brief note about IoT and Blockchain. He explained the security requirements for Blockchain of Things. He discussed some useful methodologies where we can apply BCOT. The session is interesting and created the learning environment.

Session – IV :

Afternoon session by Ms. V.R. Kavitha, Head Department of Computer Science and Engineering. She delivered the technical talk on the Applications of Blockchain. She given the overview & resource for blockchain applications and encouraged the faculty members to guide the students projects on Blockchain applications followed by session Dr. Gopikrishnan, Professor Department of Computer Science and Engineering delivered his technical talk on the various Blockchain Application development Industries.

Two days National Level Faculty Development Program on Blockchain of Things is created the learning environment for all the participants to enrich the knowledge in current Technology. The Event was successfully completed with Valedictory ceremony with certificate distribution.

WORKSHOP REPORT ON "Recent advancements in EDA tools"

Name of the Training: Recent advancements in EDA tools

Name of the Faculty : Mr.Ajin

Dates: 16.08.2018 &17.08.2018

We would like to express our thanks to Management and Principal of Prathyusha Engineering College in order to given a permission to attend the workshop on 'Recent advancements in EDA tools' from 16.08.2018 & 17.08.2018 done by Mr.Kishore, Project manager,TECH LABS, Chennai.

The following topics were covered in the training:

This training aims to sharpen the knowledge of the participants in the field of IC design and fabrication using EDA tools. This training is a gateway to enrich the ideas and its effects in depth about design and implementation of circuits in VLSI using EDA tools. This training will motivate students to become a good IC design engineers.

This training programme provides an opportunity to receive comprehensive training in the field of Integrated Circuit Design.

- ✓ New ideas and information can be shared which enable the participants to understand the recent advancements in IC design.
- ✓ Hands on experience in EDA tools for design and implementation of analog and digital circuits.
- ✓ The participants will understand basic concepts of VLSI Architecture design, implementation with Tanner EDA Tool.
- ✓ Attending this training programme paves the way to start their research in the above fields.

National Level Workshop on “Design of Experiments (DOE)” (3rd & 4th Dec 2018)

BROCHURE

DOE Analysis

- Practical, Graphical and Analytical approaches
- Main effects and Interaction effects
- Response optimization
- Using MiniTab for Analysis and optimization

Case study presentations

Work Practice

Taguchi Methods

- Robustness & Noise
- Parameter design
- Orthogonal Arrays
- Signal to Noise Ratio (S/N)
- Optimization

Exercises using software like Minitab, Design Expert and MATLAB.

ELIGIBILITY:

Faculty members of Engineering Colleges and Polytechnic Institutions.

REGISTRATION DETAILS:

Registration Fee Rs.300/- per participant to be paid. Free lunch, Tea and Bus facilities will be provided to the participants. Participants are requested to register through email hod.mech@prathyusha.edu.in on or before **28.11.2018**.

Registration restricted on the basis of first come first served to **20 members only**.

ADDITIONAL INFORMATION:

No TA/DA will be provided to the participants.

ABOUT THE DEPARTMENT

The department imparts the basic knowledge in the areas of Mechanical Engineering including Hydraulics & Fluid Machinery, Thermal Engineering, Manufacturing Technology, Material Science, Design of Machine Elements, Computer Aided Manufacturing, Industrial Management, etc. The Department also have tie-up with TVS-Harita Techserv Pvt. Ltd., to train students in the area of Product Design and Digital Manufacturing. The Department Organizes several Training program, Workshops, Seminars, etc for staff and students every year.

REPORT

A REPORT ON TWO DAYS NATIONAL LEVEL WORKSHOP ON DESIGN OF EXPERIMENT

Prathyusha Engineering College, Department of Mechanical Engineering has organized a two days national level workshop on "Design of Experiment" from 03/12/2018 to 04/12/2018. The main objective of the workshop is to Learn how to use designed experiments to achieve breakthrough improvements in process efficiency and quality. Discover Design of Experiments (DOE) methods that guide you in the optimal selection of inputs for experiments, and in the analysis of results for processes that have measurable inputs and outputs. Realize that process changes made as a result of statistically designed experiments typically result in more efficient processes and that's what DOE is all about.

DAY 1: 03/12/2018 – Morning Session

The workshop started with an inaugural session at 10:00am with welcome address by Professor and Coordinator of the workshop Dr.P.Jayaraman. Workshop inaugural address was given by Head of the Mechanical Department Dr.P.Jayaraman. He established the stages of DOE on the importance of innovative engineers in the mechanical engineering field. He also recommended undergraduate students to participate in motorsport activities and design competitions, so that they gain practical knowledge and experience.

The first technical session began at 10.30am by Mr.G.Venkat kumar, Assistant Professor, Mechanical Engineering, Prathyusha Engineering College. He has explained Future articles will cover more DOE fundamentals in addition to applications and discussion of DOE analyses.

The inaugural session ended with vote of thanks to the inaugural chief-guest by Coordinator Dr. P.Jayaraman. And he esteemed gratitude to management for giving support to organize the workshop.

DAY 1: 03/12/2018 – Afternoon Session

The second speaker of the second session was Dr. V. Jayaseelan, Professor, Mechanical Engineering, Prathyusha Engineering College. He discussed about the components of experimental design in factors, levels and responses and also covered the purpose of doing the experimentation in various factors such as comparing alternatives and reducing variability and minimizing, maximizing or targeting output. Students are interacted and clarified their doubts with the speaker.

DAY 2: 04/12/2018 – Morning Session

The first technical session began at 10.30am by Mr.G.Venkat kumar, Assistant Professor, Mechanical Engineering, Prathyusha Engineering College. He briefly addressed experimental design guidelines in a detailed manner.

DAY 2: 04/12/2018 – Afternoon Session

Last session of the workshop was given by Head of the Mechanical Department Dr.P.Jayaraman. He explained The most commonly used terms in the DOE methodology like controllable and uncontrollable input factors, responses, hypothesis testing, blocking, replication and interaction. Finally we spoken about Integrated Process Management System and its advanced techniques, this makes participate to ask more clarification and questions based on the system.

Dr.V.Jayaseelan, coordinator of this workshop invites Mr.G.Venkatkumar to proposed vote of thanks. He said his sincere gratitude to the speaker for accepting our invitation and his interesting speech. He said “successful conduct of such glorious events is possible only because of the team work of our faculty members. He also thanked all students and staff delegates who made the lecture workshop fruitful.

Programme Content

This FDP will cover all basics of ESL/EST/ESP concepts and it mainly focuses:

- To hone the essentials of Communication Skills required for the teachers.
- To motivate Soft Skills to the Teachers which enhance the personality and human relations in workplace and outside.
- To make teachers aware of these skills to upgrade their professional competence.

Fee Details

Faculty Members / Research Scholars: Rs.300

About the Institution

Prathyusha Engineering College, Chennai popularly known as PEC – is a self-financed Telugu Minority Institution managed by Prathyusha Educational Trust, Chennai, approved by AICTE, affiliated to Anna University, accredited by NBA and NAAC A+ and a recipient of ISO certification, located 30 kms from Chennai Central Railway Station. The college was established in the year 2001, to promote Engineering education with quality technical knowledge to all the students hailing from not only in and around Chennai, but from various districts in Tamilnadu and from neighbouring states also. This elysium of education, is the vision of the Founder Chairman Shri.P.Raja Rao, the well-known industrialist and philanthropist, to bring world-class education into this sylvan campus.

About the Department

The Department of English functions and concords with all the Engineering Departments. A team of committed and well-experienced faculty members render a strong passion towards innovations and enrich linguistic competence for career opportunities with human resources.

The Department has a well-maintained language laboratory which provides rich resources to hone communication and soft skills.

About the Programme

The Programme enlightens on various skills for the faculty members / Research Scholars. English is the language of opportunity and hence a language used as the medium of Communication in the educational institutions and later to meet the requirements of the world of work. Hence it is essential to identify and use not only the basic Receptive Skills of Listening and Reading and the productive Skills of Speaking and Writing but also the Thinking Skills. To employ English as an effective tool, one requires to be competent in the use of English language elements for real - life contexts. Basic Communication Skills provides a brief description of the four skills, namely, Listening, Speaking, Reading, Writing & Thinking Skills.

The students of Technical / Engineering and Technology Institutions are in a position to upgrade their Communication and Soft Skills and to be successful in their profession. Thus arises the need for such programme to bring awareness for teachers.

Report about Faculty Development Programme on "ENHANCING COMMUNICATION AND SOFT SKILLS IN HIGHER EDUCATION"

26.11.18

The Department of English and English Club of Prathyusha Engineering College conducted National Level faculty Development programme on "Enhancing Communication and Soft Skills in Higher Education" in the college on 23.11.18. Dr. A. Gnanavathe, Director of IRA New Academy of Skills and Certified Trainer of Communication and Soft Skills was the Resource Person. The Resource Person presented about attitude of an ideal teacher, The ways of teaching of an effective teacher, Instructor-Group interaction, Skillful Teacher, Dynamism and Enthusiasm, Golden Rules of Teaching. She stressed on the importance of making subject interesting to the students and the rapport between the staff and students. The activities like Treasure Hunt, Word Building etc, were conducted. The students enjoyed and they were benefitted. Our staff and other college staff members felt the FDP very useful. 50 1 year students, 30 Staff Members from Prathyusha Engineering College, 2 Staff Members namely Mr. M.T.V. Prakash Reddy, Asst. Prof., Dept. of English, Sriram Engineering College, Mrs. P. Amudha, Asst. Prof., Dept. of English, Aulim Mohammed Salegh College of Engineering took part in the programme, 4 Staff Members namely Dr. V. Jaya Kumar, Asst. Prof., Dept. of English, Govt. Arts College, Ariyalur, Ms. K.G. Jaishri, Asst. Prof., Dept. of English, SRM Institute of Science and Technology, Vadapalani Campus, Chennai registered but due to sudden college work, they couldn't make their presence, Mrs. K. Shanthi, Asst. Prof., Dept. of English, Sriram Engineering College, Mrs. N.S. Kamalam, Asst. Prof., Dept. of English, Sriram Engineering College registered but due to meeting with PhD guide, they couldn't attend the programme. Already the intimation about FDP was given to around 70 Staff Members in other colleges through Whats App, Mail but due to rain, Impossibility of getting OD due to College work, many staff were unable to come. In future, the programme details will be sent 2 months in advance with Registration amount confirmation. On behalf our department, AICTE proposals will be done from the department and more number of programmes will be organized in our college for the benefit of staff and students.

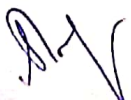

I wholeheartedly thank the Management, Principal, Advisor sir for extending hospitality, food, transport for this Faculty Development Programme in our college.

Thank you.

Yours truly,

(M. Ravikumar)
