PEDESTRIAN-FRIENDLY PATHWAYS

Campus has sufficient space for parking vehicles of staff and students.

Roads inside the campus are well maintained.

Pedestrians can walk safely through the campus through walk friendly pathways.

Entry of vehicles inside the campus is restricted.

Security people are assigned duties on every turn and crossing to the campus.

Every road inside the campus has marking indicating pedestrian walk-space.

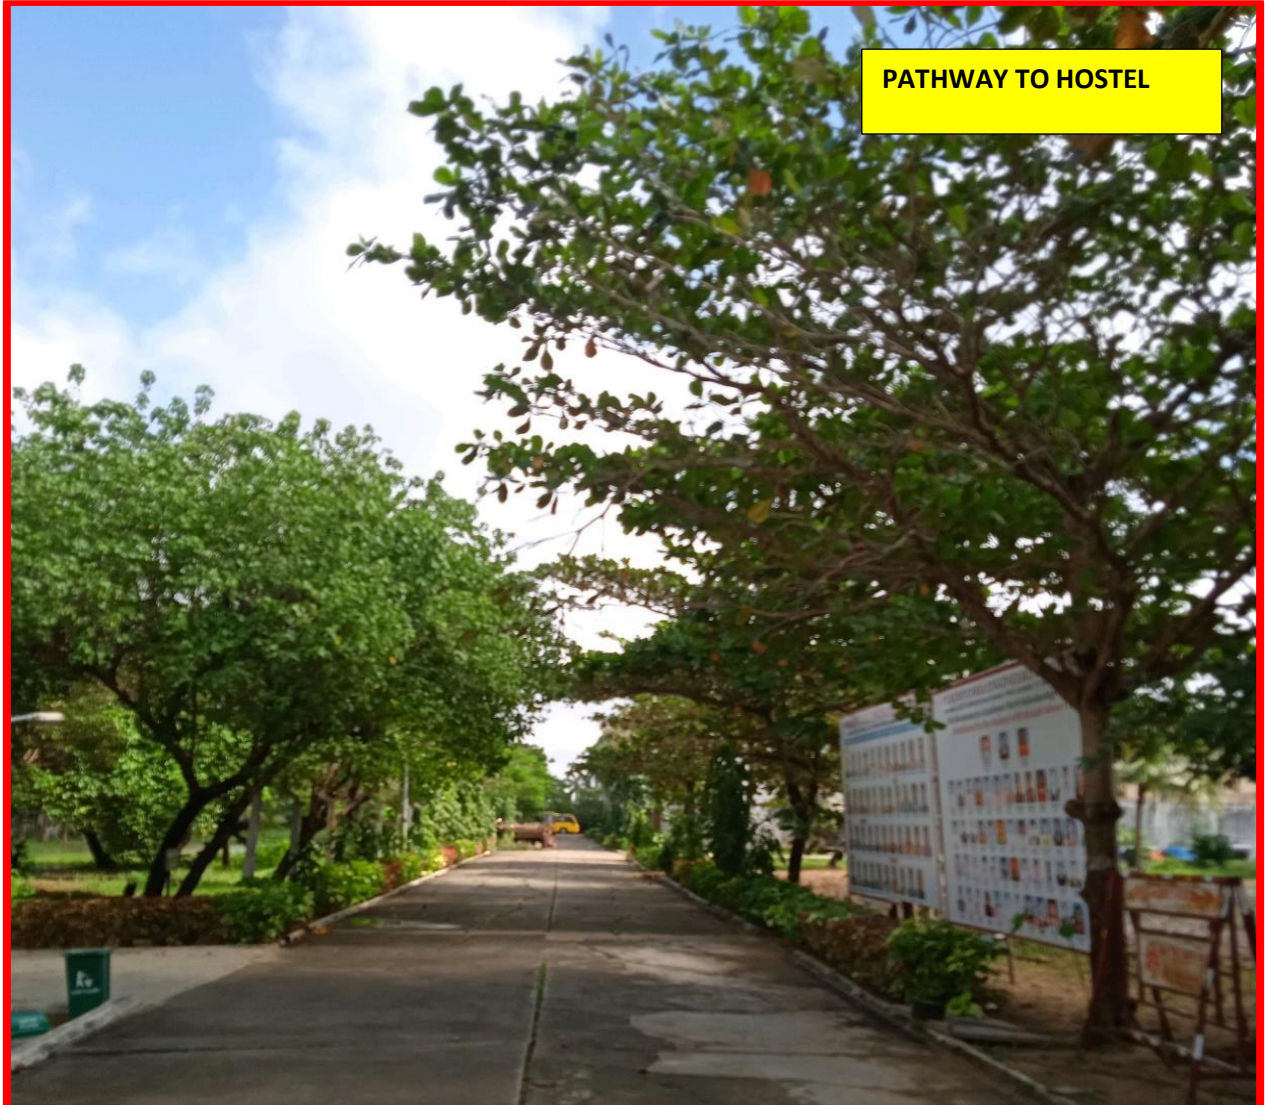

The hostel students and staffs do morning walks and joggings in those sidewalks during the pre-fixed timings.

These roads are fully covered with several trees which make the campus environment green and pollution free.

Pedestrian streets not only improve overall safety for those on foot, but they can also boost local air quality and control the pollution inside the campus.

Pedestrian pathways is to serve as the roadway for pedestrians and provide a safe and level walkway for people.
