#### **Environment with ramps/lifts**

One of the major objectives of all education programs that have been implemented at present is to be develop an inclusive education system by providing access to disabilities.

Provision of ramp facility is one of the indicators in this regard.

Our college has provide the ramp facility for the disabled person in our college campus for the easy access of various places inside the college.

Ramps are usually the most practical way to provide wheelchair access between different areas.

In PEC ramps are made with enough space to access the wheel chair for disabled person.

Ramp facility applicable in buildings in Prathyusha Campus.
