“AEEICB-18” – An International Conference at Prathyusha, A brainstorming platform for Research Scholars

*~ 169 manuscripts received ~
~ 94 Manuscripts published in IEEE Digital Xplore~*

Chennai : Research Scholars in the thirist of growing in their research will now get a practical exposure, that match the International standards, with **AEEICB-18, An International Conference on “Advances in Electrical, Electronics, Information, Communication and Bio**

informatics” , in association with IEEE,IETE and CSI. Identifying a core need to offer practical efforts that supplement with theoretical approach, **AEEICB-18** was launched with the objective to offer a forum for research where researchers share their knowledge in the form of paper presentations chaired by Doctorates and Senior Professors and invited Talks by eminent personalities from IITM, Industrial organizations and other Government Institutions, thereby giving a glimpse of real life challenges a research scholar faces in research when an idea is implemented to an application. **Dr. Ramesh P.L.N. Principal** welcomed the gathering and the research Scholars for the Conference. The Conference was inaugurated by **Mr. D. Senthil Kumar.**, Scientist 'F',MTRDC, DRDO , Bangalore and **Dr. P. Sanjeevikumar**, Prof/EEE, Aalborg University, Denmark on 27th February 2018. **Dr.M.Moorthi,Professor/ECE** read the report of AEEICB 2018.

As part of the Conference, 84 participants out of 169 received papers from engineering institutes from countries **such as South America, Malaysia, and Srilanka, and various Research Centres and Industries** have participated in the conference. **There were invited Technical talks from eminent personalities from Industries and Organisations viz., IITM, C-MET, Hyderabad , AdikaviNannaya University, IEEE- WIE - Chennai and IGCAR.**

The event saw the enthusiasm among participants with their involvement in paper presentation and in invited talks sessions. They found it really useful. **Sri. M. Vasu, Advisor**, congratulated the participants of the Conference and encouraged them to continue in their research with enhanced and enriched knowledge.
