FEEDBACK

Yesterday's session was very informative... I was in dilemma if I could do my final year project in LabVIEW or not.... After that session I was confident to do the project. The session was very useful to us. -Reshma Yashoda, Vyshnavi, Pranusha, Karunya, Kanishka

The session is very useful especially for students opting for core industries-Vikas, Bhargava

The webinar by Mr. Gurnu Prasath sir gave me clarity about LabVIEW and the opportunities available. Before attending this webinar, I was clueless about the future in LabVIEW. Mr. Gurnu Prasath sir shared his own life experience which helped us to understand better. I also came to know the real life applications of LabVIEW. This session was an eye opener for us. -Y Vijaya Shri
