

## PRATHYUSHA ENGINEERING COLLEGE

### Minutes of IIPC committee meeting held on 11.06.2019

The IIPC meeting for the academic year 2019-2020 was held on June 13, 2019, to discuss and strategize Industry collaboration.

The meeting began with a welcome address and an introduction to the agenda.

1. Current industry partnerships were reviewed, with each coordinator providing insights into achievements, challenges, and improvement opportunities.
2. Identification of potential new industry collaborations was discussed, aligning with emerging trends and academic goals.
3. Ongoing projects were reviewed, emphasizing progress, challenges, and required support for successful completion.
4. Strategies for enhancing industry engagement programs, including workshops and seminars, were explored.
5. Brainstorming sessions were conducted to outline future strategies for stronger industry-institute collaboration.
6. Specific action items were assigned to each coordinator based on expertise and collaboration responsibilities.
7. A timeline for implementation of proposed strategies and follow-up procedures was discussed and agreed upon.

The meeting concluded with a summary of key points and a call to action for coordinators to contribute actively.
