

PRATHYUSHA ENGINEERING COLLEGE

Minutes of IIPC committee meeting held on 17.06.2021

The IIPC meeting for the academic year 2021-2022 was held on June 17, 2021, to discuss and strategize Industry collaboration.

1. The IIPC meeting took place to discuss pertinent matters regarding the post-COVID resumption, particularly focusing on student internships and collaboration initiatives.
2. The meeting began with an overview of the agenda, emphasizing the post-COVID challenges and opportunities for student internships.
3. The challenges faced by students in resuming industry internships post-COVID were discussed, including remote work arrangements and potential solutions.
4. Coordinators shared insights into the current challenges faced by students and industries in the internship process.
5. The initiative to bring in industry projects was introduced, with a discussion on potential projects and their alignment with academic goals.
6. Collaboration opportunities with NILabVIEW were explored, with a focus on integrating LabVIEW into academic projects and fostering industry partnerships.
7. Strategies for overcoming challenges in implementing LabVIEW collaborations and ensuring a seamless transition for students were discussed.
8. A timeline for implementing proposed strategies, addressing challenges, and initiating LabVIEW collaborations was established.
9. The meeting concluded with a summary of key points and a call to action for coordinators to contribute actively.
