

PRATHYUSHA ENGINEERING COLLEGE DEPARTMENT OF ENGLISH

ENGLISH CLUB ACTIVITY BOOK DISCUSSION

PROGRAM OBJECTIVE:

The primary objective of the English Club's book discussion activity was to enhance participants' reading comprehension, critical thinking, and communication skills. By engaging in thoughtful discussions, the aim was to encourage a deeper understanding of the chosen book while fostering a sense of camaraderie among the club members.

PROGRAM SUMMARY REPORT:

The English Club organized a stimulating Book Reading Activity on 07/10/2023 where members gathered to celebrate the joy of reading and engage in thoughtful discussions. The event aimed to promote a culture of reading, enhance communication skills, and foster intellectual exchange among the participants.

Activity Overview: The book discussion activity held on 7th October 2023 witnessed active participation from 35 enthusiastic members of the English Club. The participants were divided into 7 teams, each assigned a specific book for discussion. The chosen books covered a diverse range of genres, including fiction, non-fiction, and classic literature, allowing the participants to explore various themes and writing styles.

EVENT DETAILS

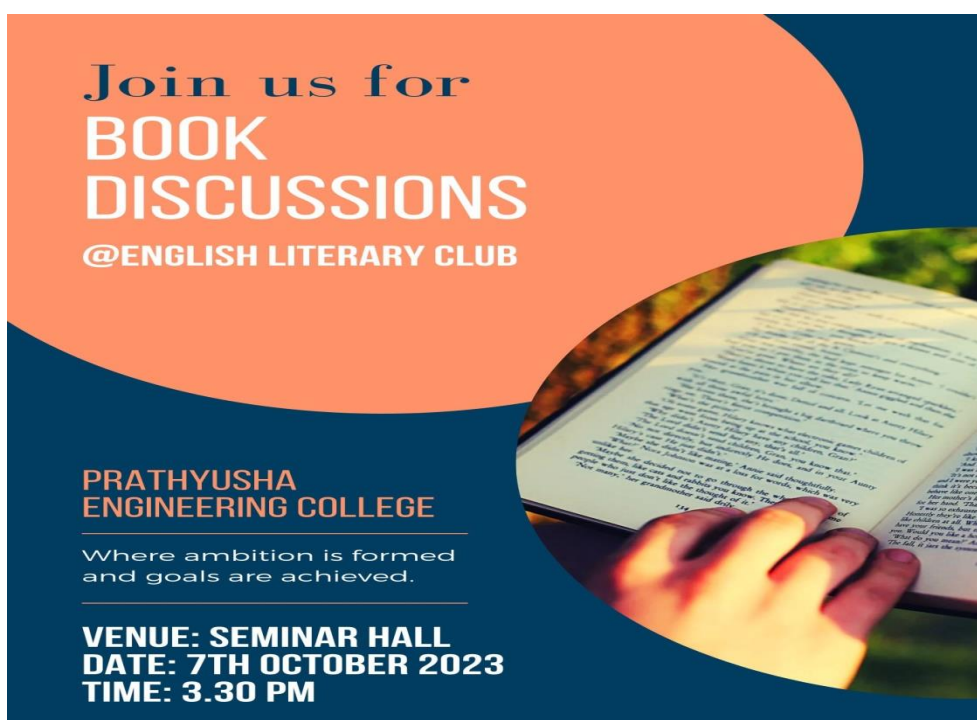

- ☐ **Name of the department: English**
- ☐ **Title of the event: Book Discussion**
- ☐ **Venue: Seminar Hall, Main Block First Floor**

- ☐ **Mode of delivery: Physical Mode**
- ☐ **Date: 07.10.2023**
- ☐ **Duration: 2hrs**
- ☐ **No. of student Participants: 35**

EVENT COORDINATORS

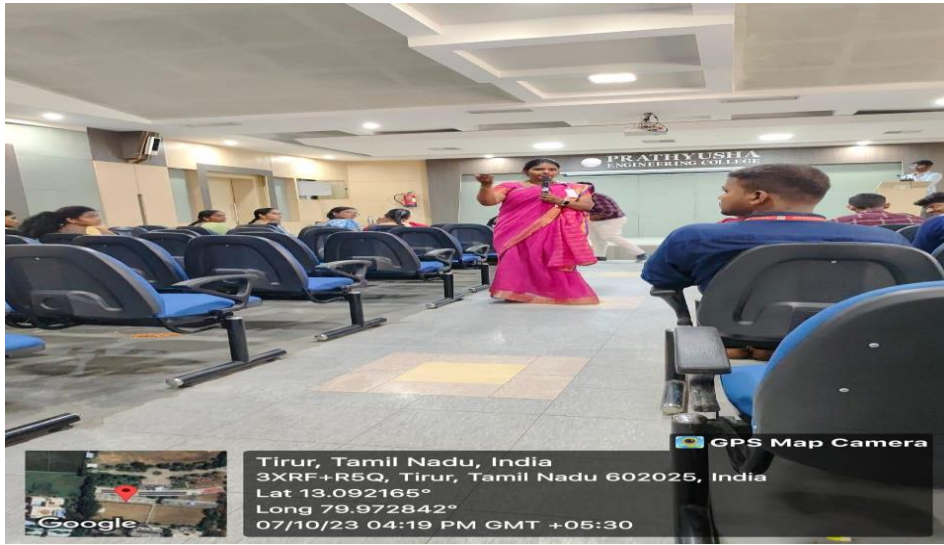

- **Faculty Coordinator:** Faculty of English
- **Student Coordinator:** Mr.L.Surya Prakash Reddy- III year CSE
Mr.K.B.Manoj Kumar- III year CSE

and intellectually stimulating, with participants sharing their insights, favorite quotes, and interpretations of the assigned books. Each team presented a summary of their book, followed by an in-depth analysis of characters, plot developments, and overarching themes. Thought-provoking questions were raised, leading to engaging debates and exchanges of perspectives.

Key Takeaways:

Enhanced Reading Comprehension: Participants demonstrated improved comprehension skills by dissecting complex narratives and understanding underlying themes.

Critical Thinking: Analytical skills were honed through discussions on character motivations, plot intricacies, and authorial intentions.

Communication Skills: Members practiced articulating their thoughts clearly, listening actively, and engaging in respectful debates.

Appreciation for Diversity: Exposure to a variety of literary genres and perspectives fostered an appreciation for diverse storytelling methods.

Conclusion: The book discussion activity proved to be a resounding success, promoting a love for reading, critical thinking, and meaningful dialogue among English Club members. The event not only achieved its educational objectives but also created a sense of community and shared passion for literature among the participants. We look forward to organizing similar enriching activities in the future.

LIST OF PARTICIPANTS

S.NO	NAME	CLASS	YEAR

Spell Bee

April 18, 2024, from 1:00 PM to 3:40 PM in the Seminar Hall

The Department of English at Prathyusha Engineering College successfully hosted its Spelling Bee Competition on April 18, 2024, from 1:00 PM to 3:40 PM in the Seminar Hall. The event was a remarkable display of linguistic talent, where participants showcased their spelling skills and competed with great enthusiasm. The competition highlighted the importance of language proficiency and provided an engaging and educational experience for all involved. Congratulations to all participants and winners for their impressive performances!

Debate on "Are communication gadgets enabling youngsters to grow or spoiling their future?"

May 27, 2024. Seminar Hall

On May 27, 2024, Prathyusha Engineering College's Department of English, in collaboration with The Institute of Engineers (India), hosted a debate on "Are communication gadgets enabling youngsters to grow or spoiling their future?" Our students participated and six finalists selected for their compelling arguments. Proponents highlighted benefits like learning opportunities and digital literacy, while opponents pointed out health risks and social skill declines. The debate showcased the dual nature of communication gadgets and successfully promoted critical thinking and public speaking skills.
