EVENT REPORT:

The Workshop conducted on Peer Basic first aid session for the Science Club students. Around 110 students are participated and gained knowledge on CPR, first aid during road accidents, snake bite, accidents heavy bleeding. The session was interested and informative.

The staff coordinator Dr. Azeeza V gave a Introduction about the Chief guest and the importance of this awareness session. The Chief guest presented a very good practical session on Cardiopulmonary resuscitation (CPR) to save life. Many students trained how to do the first aid during cardiac pain. Addition to this, awareness given to the students what steps to be follow if they seen any accidents. Students shown more interest to learn first aid training.

The Staff Coordinator Ms. K. Uma gave vote of thanks. At the end of the session students gave feed back about the programme. E certificates provided to the students from ALERT NGO's.

OUTCOMES:

- Provide basic life support and first aid.
- Understand and be able to respond to dangers to ensure the safety of injured person.
- Respond to an emergency situation.
- Learn to Perform CPR procedures.
