

NATURE OF THE EVENT: Technical Seminar

DEPARTMENT: EEE

EVENT NAME: Energy Auditing using AI

INVITED SPEAKER : Ms.R.Sowndariya, COO-Managing Partner, Arjun Vision Tech.

DATE : 17.10.2025

ASSOCIATED CLUB : Green Energy and Electric Vehicle Club

REPORT

The Department of Electrical and Electronics Engineering organized a **Technical Seminar on “Energy Auditing Using Artificial Intelligence (AI)”** on 17.10.2025. The seminar aimed to enlighten students about modern techniques in energy management and the application of AI tools in conducting precise and efficient energy audits.

This event was part of the department’s initiative to promote awareness of sustainable energy practices and the integration of intelligent systems in power management. Students from II, III and IV year EEE attended the seminar along with faculty members.

EVENT PHOTOGRAPHS

The poster features a blue and white geometric background. At the top, it displays the Prathyusha Engineering College logo and name, along with various accreditation logos. The central text identifies the organizing department and club. A circular portrait of the resource person is shown next to her name and title. The bottom section provides the date, time, and location of the seminar, along with the college's website.
